Brouwer, 1999 Many Christians today neither know the full content of their faith nor could articulate the historical doctrines of the church *Remembering the Faith* offers help by providing a brief and highly readable introduction to the basic teachings of the Christian faith Douglas Brouwer canvasses the full range of Christian belief from the nature of revelation to the doctrines of God the Trinity creation Jesus the Holy Spirit sanctification and the meaning of the sacraments discussing each as it developed historically and showing why such fundamental statements of faith continue to be important today Throughout each chapter are excerpts from the historical confessions creeds and catechisms as well as selected quotes from theologians and poets Brouwer pastor of First Presbyterian Church in Wheaton Illinois organizes the book thematically with chapters on Where We Find God Who Jesus Is Three Persons One God and Last Things among other topics His careful and gentle reasoning and pastoral tone he understands those who doubt and wonder makes the book a pleasurable and informative read and another useful book for group study Christianity Today      Judges and Ruth (Teach the Text Commentary Series) Kenneth C. Way, 2016-09-20 Focused Biblical Scholarship to Teach the Text The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text The newest Old Testament release in this innovative commentary series is Kenneth C Way s treatment of Judges and Ruth      Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must

learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets
