(translator) Kelsey, 1889 **Pompeii** August Mau, 2017-12 Excerpt from *Pompeii Its Life and Art* The restorations are not fanciful They were made with the help of careful measurements and of computations based upon the existing remains occasionally also evidence derived from reliefs and wall paintings was utilized Uncertain details are generally omitted It is due to Professor Mau to say that in preparing his manuscript for English readers I have with his permission made some changes The order of presentation has occasionally been altered In several chapters the German manuscript has been abridged while in others containing points in regard to which English readers might desire a somewhat fuller statement I have made slight additions The preparation of the English form of the volume undertaken for reasons Of friendship has been less a task than a pleasure About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Pompeii** August Mau, 1973 *Pompeii, Its Life and Art* August Mau, 1907 **August Mau** Heinrich Ludwig Ulrichs, 190?

*Pompeii and Art* August Mau, 2015-03-16 For twenty five years Professor Mau has devoted himself to the study of Pompeii spending his summers among the ruins and his winters in Rome working up the new material He holds a unique place among the scholars who have given attention to Pompeian antiquities and his contributions to the literature of the subject have been numerous in both German and Italian The present volume however is not a translation of one previously issued but a new work first published in English the liberality of the publishers having made it possible to secure assistance for the preparation of certain restorations and other drawings which Professor Mau desired to have made as illustrating his

Or der Zerstoerung* published in 1897 by Weichardt The titles of more than five hundred books and pamphlets relating to Pompeii are given in Furchheim's *Bibliografia di Pompei* second edition Naples 1891 To this list should be added an elaborate work on the temple of Isis Aedis Isidis Pompeiana which is soon to appear The copperplates for the engravings were prepared at the expense of the old Accademia ercolanese but only the first section of the work was published the plates fortunately have been preserved without injury and the publication has at last been undertaken by Professor Sogliano Professor Mau wishes to make grateful acknowledgment of obligation to Messrs C Bazzani R Koldewey G Randanini and G Tognetti for kind assistance in making ready for the engraver the drawings presenting restorations of buildings to the authorities of the German Archaeological Institute for freely granting the use of a number of drawings in its collection and to the photographer Giacomo Brogi of Florence for placing his collection of photographs at the author's disposal and making special prints for the use of the engraver In addition to the photographs obtained from Brogi a small number were furnished for the volume by the translator and a few were derived from other sources The restorations are not fanciful They were made with the help of careful measurements and of computations based upon the existing remains occasionally also evidence derived from reliefs and wall paintings was utilized Uncertain details are generally omitted
