Robert Kennedy His Life:

Robert Kennedy Evan Thomas, 2002-09-10 Robert Kennedy has been viewed as hero and villain Thomas's achievement is to portray RFK as a human being an extraordinarily complex man who was at once kind and cruel devious and honest fearful and brave

Robert Kennedy James Hilty, 2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John's political campaigns Robert proved himself hard as nails in his father's admiring words relentless in securing his brother's victory and unforgiving in overseeing his brother's presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson's selection as John's running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty's evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today's pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family's story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty's concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader's role in working for Joseph McCarthy or pursuing James Hoffa for racketeering Hilty's great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother's assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert's own crushing pain was evident to the world It was then that Bobby ceased being a disparaging term and became a mark of respect and affection

The Editors of TIME,2018-05-11 He was a man of seeming contradictions Born to great wealth Bobby Kennedy made common cause with the least fortunate Initially viewed as ruthless over time he became deeply concerned with the plight of others and he struggled to find realistic political solutions to their problems He loved a crusade and in his early years in public life he opposed communism corrupt labor union leaders and organized crime Later he found larger more complex targets to address racism poverty institutional indifference Most important he challenged all of us to join him not simply in imagining a better world for all but in doing the difficult everyday work of making those visions reality Fifty years after Bobby Kennedy s assassination celebrate his legacy with this special edition TIME Robert F Kennedy **Killing Congress** Nancy E. Marion,Willard Oliver,2014-07-22 Since Congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence Additionally eight members of Congress have died while serving in Congress in other ways These incidents have taken place throughout the existence of the United States and have a wide variety of interesting causes In *Killing Congress Assassinations Attempted Assassinations and other Violence Enacted on Members of the U S Congress* Nancy Marion and Willard Oliver examine the assassinations and attempted assassinations of members of Congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events Marion and Oliver also look closely at other violent attacks against Congressional members including beatings and bio attacks The book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on Capitol Hill *Legacy of Secrecy* Lamar Waldron,Thom Hartmann,2009-03-01 This painstakingly researched follow up to *Ultimate Sacrifice* draws on explosive new material from the National Archives to piece together the puzzle of JFK s assassination *Vanity Fair* A riveting take on the assassination itself and the devastating results of government secrets Publishers Weekly John F Kennedy s assassination launched a frantic search to find his killers It also launched a flurry of covert actions by Lyndon Johnson Robert F Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup The coup plan s exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy s assassination a legacy of secrecy that would impact American politics and foreign policy for the next forty five years It also allowed two men who confessed their roles in JFK s murder to be involved in the assassination of Dr Martin Luther King in 1968 Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now **Bobby Kennedy** Chris Matthews,2017-10-31 Bobby Kennedy was a personal hero to a multitude of Americans As the train carrying his body headed to Washington whites and blacks alike stood along the tracks saluting him They loved him as a fellow patriot who believed a great country could also be a good one Chris Matthews the host of MSNBC s *Hardball* has discovered what made him who he was Drawing on extensive research and intimate interviews Matthews shines a light on all the important moments of Bobby s

life his upbringing his start in politics his crucial role fighting for civil rights as attorney general and his tragic run for president Dust jacket flap JFK and His Enemies Thomas J. Whalen, 2014-05-23 The famed 19th century humorist Finely Peter Dunne once commented that life would not be worth living if we didn't keep our enemies Certainly John F Kennedy could appreciate the wisdom behind this observation At nearly every stage of his noteworthy political career which stretched from the dank run down tenement houses of Charlestown Massachusetts in 1946 to the gleaming downtown skyscrapers of Dallas Texas in 1963 Kennedy had collected his fair share of enemies Some like Henry Cabot Lodge Jr in 1952 and Lyndon Johnson in 1960 presented formidable political obstacles to his attaining higher office Others like Nikita Khrushchev during the Cuban Missile Crisis of 1962 threatened the very survival of the human race itself Regardless of the stakes Kennedy always seemed to rise to the level of the domestic or international challenge presented Our problems are man made therefore they may be solved by man he said To those who knew him best this single mindedness was not surprising He clearly wanted to establish a place in history insisted Robert McNamara Kennedy's Secretary of Defense But being an historian himself Kennedy realized that political success did not come easily or cheaply It required individual strength of character clarity of thought and the ability to act decisively There are risks and costs to action he allowed But they are far less than the long range risks of comfortable inaction *Congressional Record* United States.
