Clinical Data Abstraction

A vital role in reviewing patient records to extract clinical data points from healthcare, and potential quality issues. This technique is used to assess and optimize organizational ability. Data abstraction schedules and may also take on seasonal contract work at information for (info) abstraction, Jan-May each year.

Abstraction is only sometimes necessary. Familiarity with clinical healthcare data is helpful. Some employers will train nurses in this field (more roles are more likely to train). Still, they are areas like oncology or trauma or diverse clinical experience of data the abstraction is reviewing.

Notes by nurses because the jobs can offer lots of schedule flexibility for these types of roles. Take the time to understand what you're doing and tailor your skill set to match those. You'll want to be able to effectively time management, and any clinical data will abstract.
