

Haste In Romeo And Juliet

This sample essay on Haste In Romeo And Juliet provides important aspects of the issue and arguments for and against as well as the needed facts. Read on this essay's introduction, body paragraphs, and conclusion.

Making decisions in life can be difficult and people often rush and act too quickly without taking time to think their actions through. When under pressure to make the right decisions haste comes into play and the impacts are detrimental, as proven in Shakespearean Romeo and Juliet. The main characters in this text ignore many dark signs warning them along the way as they rush decision after decision leading to tragic results. The saying "haste makes waste" means that when action is taken in a hurry there are negative consequences which Romeo and Juliet both trudge with.

Their lives take a spin downhill when they become overly eager to be together, are impatient, and act with rashness. For example, after Romeo and Juliet's instant marriage their lives become filled with doom and tragic losses. It is important to take one day at a time and stay patient, being sure to be content with decisions. The detrimental impact of haste is reflected and absorbed in Shakespearean Romeo and Juliet through characterization, foreshadowing, and conflict. Both Romeo and Friar Lawrence make many rushed decisions in the play which never have positive outcomes.

Romeo meets Juliet at the Capulet feast and instantly falls in love with her. Without even knowing her personality or her name, Romeo is deeply in love. He acts with rashness and asks her to marry him the very next day. This seems to be typical of his character; Romeo is desperate for affection and acts accordingly. "O, let us hence; I stand on sudden haste." Romeo's conception is that the faster he goes through with things the better the outcome will be. Friar Lawrence, who also seems to act with the restfulness of youth, agrees to marry the young lovers without thinking his decision through.

Theme Of Haste In Romeo And Juliet

He makes it for the arguably selfish reason of wanting to end the Montague-Capulet feud, but doesn't consider the negative impacts it will have on the youths' lives. After the precipitant marriage everything in Romeo and Juliet's lives becomes tragic and unhappy. Friar makes a plan later on in the play to help re-unite Romeo and Juliet by creating a fake death potion. Again he makes the decision on the spot, not realizing the potential harm that could come from it. "And if aught in this miscarried by my fault, let my old life be sacrificed, some hour before his time, unto the rigor of severest law."

Friar Lawrence only realizes his actions hastened the catastrophe after the tragedy was over. Another example of haste in this play is Romeo's decision to kill himself when he believes Juliet is dead. He does not consider what he still has to live for, because if he had taken the time to do so, Juliet would have woken to a
