Guiding Principles

- ▶ Leadership
- ▶ Culture of Collaboration
- ▶ Prevention & Early Intervention

TIER I All 80–85%

ALL students receive research-based, high quality, general education instruction using Tennessee State Standards in a positive behavior environment that incorporates ongoing universal screening and ongoing assessment to inform instruction.

TIER II Some 10–15%

In ADDITION to Tier I, interventions are provided to students that fall below the 25th percentile on universal screening and are struggling academically and/or behaviorally. Research-based interventions will be provided to students within their specific area(s) of deficit. These students are progress monitored using a tool that is sensitive to change in area of deficit and that provides a Rate of Improvement (ROI) specific to the individual deficit.

TIER III Few 3–5%

In ADDITION to Tier I, interventions are provided to students who have not made significant progress in Tier II, are 1.5-2.0 grade levels behind or are below the 10th percentile. Tier III interventions are more explicit and more intensive than Tier II interventions. Research-based interventions will be provided to students within their specific area(s) of deficit. These students, who are struggling academically and/or behaviorally are progress monitored using a tool that is sensitive to change in area of deficit and that provides a Rate of Improvement (ROI) specific to the individual deficit.
