Puŝkin Today David M. Bethea, 1993 Since the nineteenth century the great Russian writer Alexander Pushkin has been a cultural myth a figure absolutely central to Russian culture even to Russianness itself In this volume distinguished American Slavists address Pushkin's writings from a multiplicity of contemporary literary perspectives and investigate some of the most puzzling issues in the poet's life and work **The Cambridge Companion to the Classic Russian Novel** Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel **Sight Reading** Daphne Kalotay, 2013-05-21 Compulsively readable memorable and wise Nancy Richler author of the Giller Prize Finalist *The Imposter Bride* On a Boston street one warm spring day Hazel and Remy spot each other for the first time in years Although their brief meeting may seem insignificant behind them lie two decades in which their life paths have crisscrossed diverged and ultimately interlaced Remy

a gifted violinist is married to the composer Nicholas Elko once the love of Hazel's life. It has been twenty years since Remy, an ambitious conservatory student, and Nicholas, a wunderkind launching an international career and his wife, the beautiful and fragile Hazel, first came together, tipping their collective world on its axis. As their story unfolds and they find themselves linked anew by a final secret, each discovers the surprising ways in which the quest to create something real and true, be it a work of art or one's own life, can lead to the most personal of revelations. Lyrical and evocative, *Sight Reading* explores mysteries of intuition and perception while unspooling a transporting story of marriage, family, and the secrets we keep even from ourselves.

The Intellectual Devotional David S. Kidder, Noah D. Oppenheim, 2021-01-19. Now updated to reflect current events, this daily digest of intellectual challenge and learning will arouse curiosity, refresh knowledge, expand horizons, and keep the mind sharp. Millions of Americans keep bedside books of prayer and meditative reflection, collections of daily passages to stimulate spiritual thought and advancement. *The Intellectual Devotional* is a secular version of the same: a collection of 365 short lessons to inspire and invigorate every day of the year. Each daily digest of wisdom is drawn from one of seven fields of knowledge: history, literature, philosophy, mathematics, and science, religion, fine arts, and music. Impress your friends by explaining Plato's Cave Allegory, memorize Sonnet 18, and unlock the mystery of how batteries work. Daily readings range from important passages in literature to basic principles of physics, from pivotal events in history to images of famous paintings with accompanying analysis. The book's goal is to refresh knowledge we've forgotten, make new discoveries, and exercise modes of thinking that are ordinarily neglected once our school days are behind us. Offering an escape from the daily grind to contemplate higher things, *The Intellectual Devotional* is a great way to awaken in the morning or to revitalize the mind before retiring in the evening.

Encyclopedia of American Popular Fiction Geoff Hamilton, Brian Jones, 2010-05-12. Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides. Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction.

The Novel: An Alternative History, 1600-1800 Steven Moore, 2013-08-29. Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society. Having excavated the world's earliest novels in his previous book, literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800, from *Don Quixote* to America's first big novel, an homage to Cervantes entitled *Modern Chivalry*. This is the period of such classic novels as *Tom Jones*, *Candide*, and *Dangerous Liaisons*, but beyond the dozen or so recognized classics, there are hundreds of other interesting novels that appeared then, known only to specialists: Spanish picaresques, French heroic romances, massive Chinese novels, Japanese graphic novels, eccentric English novels, and the earliest American novels. These minor novels are not only interesting in their own right but also provide the context needed to appreciate why the major novels were major breakthroughs. The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres.

epistolary novels romances Gothic thrillers novels in verse parodies science fiction episodic road trips and family sagas along with quirky unclassifiable experiments in fiction that resemble contemporary avant garde works As in his previous volume Moore privileges the innovators and outriders those who kept the novel novel In the most comprehensive history of this period ever written Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative Though written for a general audience *The Novel An Alternative History* also provides the scholarly apparatus required by the serious student of the period This sequel like its predecessor is a zestfully encyclopedic avidly opinionated and dazzlingly fresh history of the most elastic of literary forms Booklist

Making Strangers: Outsiders, Aliens and Foreigners Abbes Maazaoui, 2019-04-05 Studies on foreignness have increased substantially over the last two decades in response to what has been dubbed the migration refugee crisis Yet they have focused on specific areas such as regions periods ethnic groups and authors Predicated on the belief that this so called twenty first century problem is in fact as old as humanity itself this book analyzes cases based on both long term historical perspectives and current occurrences from around the world Bringing together an international group of scholars from Australia Asia Europe and North America it examines a variety of examples and strategies mostly from world literatures ranging from Spain s failed experience with consolidation as a nation state type entity during the Golden Age of Castile to Shakespeare s rhetorical subversion of the language of fear and hate to Mario Rigoni Stern s random status at the unpredictable Italian Austrian borders to Lawrence Durrell s ambivalent approach to noticing the physically visible other to the French government s ongoing criminalization of hospitality to Sandra Cisneros s attempt at straddling two countries and cultures while belonging to neither one to the illusive legal limbo of the DREAMers in the United States We are not born foreigners we are made The purpose of the book is to assert as denoted by the title this fundamental premise that is the making of strangers is the result of a deliberate and purposeful act that has social political and linguistic implications The ultimate expression of this phenomenon is the compulsive labeling of people along artificial categories such as race gender religion birthplace or nationality A corollary purpose of the book is to help shed light worldwide on one of the most pressing issues facing the world today the place of the other amid fear mongering and unabashedly contemptuous acts and rhetoric toward immigrants refugees and all those excluded within because of race gender national origin religion and ethnicity As illustrated by the examples examined in this book humans have certainly evolved in many areas dealing with the other might not have been one of those It is hoped that the book encourages reflection on how the arts and especially world literatures can help us navigate and think through the

ever present crisis the place of the stranger among us **Beginnings of Russian Industrialization, 1800-1860** William L. Blackwell, 2015-12-08 Since Russian tradition and institutions resemble those of Asia and Africa as much if not more than the patterns of Western societies the pre 1917 industrial history of Russia as the last part of the tsarist regime provides one of the most important examples of early industrialization in world history In this broad ambitious reconstruction of the early stages of Russia's industrial development English Professor Blackwell shows that the period from 1800 to 1860 was one of necessary preparation for the rapid industrialization of the later 19th century The book is based upon a wide variety of primary and secondary sources in the Russian language Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

New Statesman, 1916 **The New Statesman**, 1916 **A Literary Cavalcade-VI** Robert A. Parker, 2013-08-12 For six decades writer and editor Robert A Parker has followed up each book he reads mainly novels with an evaluation of that book His comments are informed by his Jesuit upbringing but also by an independent critical view that balances a moral and literary sensibility In this sixth of six volumes the authors covered range from Ignazio Silone to Emile Zola They include Solzhenitsyn Spark Stegner Styron Tanizaki Tolstoy Turow Unsworth Updike Vargas Llosa Warren Waugh and Wilder The commentaries are listed alphabetically by author and the books by the date of publication At least 115 authors are included in this volume some represented by one book some by five or more The writers here represent a broad range of writing styles cultural influences and moral philosophies And all are rated on their literary achievement on plot character and setting plus the moral ethical and spiritual values of mankind Here the meaning of literature is measured against the meaning of life
