

The background of the book cover features three tall, illuminated towers, likely the Oriental Pearl Towers in Shanghai, set against a twilight sky with soft purple and blue hues. The towers are lit from within, casting a warm yellow glow. The central tower is slightly behind the other two, creating a sense of depth.

Politics Middle East Cultures Conflicts:

Politics of the Middle East Michael G. Roskin, James J. Coyle, 2008 An introduction to the Middle East provides an overview of the history geography cultures and religions and leads up the regions twenty first century conflicts including the Iraq War With its emphasis on basic concepts and vocabulary and its use of illustrative case studies *Politics of the Middle East* provides an exciting tool for the basic understanding of this very complex region This comprehensive book covers cultures and history of the ancients the birth of Islam and the Ottoman Empire Arab Israeli conflicts and their origins Turkey and the Kurds the Persian Gulf and the rise of the oil kingdoms the Iranian revolution and the first and second Gulf Wars and Middle Eastern terrorism An excellent reference resource for those involved in businesses and concerns that deal with the Middle East and its politics

Culture and Conflict in the Middle East Philip Carl Salzman, 2008 Based on his own field research and the ethnographic reports of other scholars anthropologist Salzman presents an analysis of Middle Eastern culture that goes a long way toward explaining the gulf between Western and Middle Eastern cultural perspectives *Political Culture and Conflict Resolution in the Arab World* Benjamin MacQueen, 2009-06-15 Benjamin MacQueen presents an innovative and in depth look at contemporary conflict resolution in the Arab Middle East developing a unique theory of political culture through his analysis of peace processes in Lebanon and Algeria Moving beyond conventional perspectives *Political Culture and Conflict Resolution in the Arab World* highlights that while culture can serve as a key to resolving and transforming conflict if neglected it can act to worsen the conditions that lead to conflict This book represents a critical advance in the study of conflict and its resolution in the Arab World Islamic Studies Series Volume 3 *Religion and Politics in the Middle East* Robert D. Lee, 2018-04-19 This innovative book analyses the relationship between religion and politics in the Middle East through a comparative study of five countries Egypt Israel Turkey Iran and Saudi Arabia Robert D Lee examines each country in terms of four domains in which state and religion necessarily interact national identity ideology institutions and political culture In each domain he considers contradictory hypotheses some of them asserting that religion is a positive force for political development and others identifying it as an obstacle Among the questions the book confronts Is secularization a necessary prerequisite for democratic development How is it and why is it that religion and politics are so deeply entangled in these five countries And why is it that all five countries differ so markedly in the way they identify themselves and use religion for political purposes The book argues that the nature of religious organization and practice in the Middle East must be understood in the context of individual nation states The second edition is updated throughout and includes an entirely new chapter discussing the political and religious climate in Saudi Arabia Earlier introductory analysis has been condensed to make room for new material and chronologies at the end of each chapter have been added to help students understand the broader context The second edition of *Religion and Politics in the Middle East* is a robust addition to courses on the Middle East *Culture and Politics* Jan-Erik Lane, Uwe Wagschal, 2013-06-17 This concise accessible text presents an overview of

the relevance of culture for politics Culture figures prominently in the theories of the great classics such as Marx Durkheim and Weber Recently the cultural approach to politics has developed quickly and the concept of political culture has played a role in these developments particularly given the emergence of large scale survey research into political value orientations Seeking to outline this rapid development the book is divided into three sections Section I of the book discusses the relevance of cultural perspectives to political analysis including discussion of the most significant concepts and methods Section II looks at the core elements of political culture tradition ethnicity and religion Section III examines emerging research avenues and opportunities including social capital value orientations in the postmodern world newer formulations of political culture such as gender and sexuality and the influence of the environment Drawing on a wealth of examples and a comprehensive analysis of comparative data this textbook is essential reading for all students of political culture research methods political sociology and comparative politics The Arab-Israeli Conflict in American Political Culture Jonathan Rynhold,2015-02-23

This book surveys discourse and opinion in the United States toward the Arab Israeli conflict since 1991 Contrary to popular myth it demonstrates that US support for Israel is not based on the pro Israel lobby but rather is deeply rooted in American political culture That support has increased since 9 11 However the bulk of this increase has been among Republicans conservatives evangelicals and Orthodox Jews Meanwhile among Democrats liberals the Mainline Protestant Church and non Orthodox Jews criticism of Israeli policies toward the Palestinians has become more vociferous This book works to explain this paradox **Politics and Cultures of Islamization in Southeast Asia** Georg Stauth,2015-07-15 This book is about

cultural and political figures institutions and ideas in a period of transition in two Muslim countries in Southeast Asia Malaysia and Indonesia It also addresses some of the permutations of civilizing processes in Singapore and the city state s image moving across its borders into the region and representing a miracle of modernity beyond ideas The central theme is the way in which Islam was re constructed as an intellectual and socio political tradition in Southeast Asia in the nineteen nineties Scholars who approach Islam both as a textual and local tradition students who take the heartlands of Islam as imaginative landscapes for cultural transformation and politicians and institutions which have been concerned with transmitting the idea of Islamization are the subjects of this inquiry into different patterns of modernity in a tropical region still bearing the signature of a colonial past The Sheqel Oblap Franciscus Mejia,2011-10 At this point the general
