Politique Internationale L'environnement Jean Frdric Morin :

La politique étrangère Jean-Frédéric Morin, 2013-07-17 Pourquoi les pays occidentaux versent-ils davantage d'aide au développement aux autocraties qu'aux démocraties Pourquoi le Danemark réussit-il à exercer une influence disproportionnée au sein de l'Union européenne Pourquoi le Canada a-t-il fait du maintien de la paix la pierre angulaire de sa politique étrangère Ce manuel propose une introduction aux théories et aux méthodes de l'analyse de la politique étrangère Il passe en revue les principales approches des classiques aux plus récentes Plus qu'une simple synthèse il identifie les courants émergents les lacunes qui doivent être comblées les données qui peuvent être mobilisées les pièges à éviter et les références bibliographiques creuser C'est le point d'entrée incontournable pour tous les étudiants les doctorants et les chercheurs qui entament un projet de recherche sur la politique étrangère Jean-Frédéric MORIN est professeur de relations internationales à l'Université libre de Bruxelles où il enseigne notamment l'analyse de la politique étrangère

EFPA ESG Handbook Collective of authors, 2024-03-01 Since the 2021 the financial industry evolved to include ESG criteria in its products and processes Thanks to regulatory pressures and public opinion Sustainable Finance is becoming THE new standard for financial centres across Europe However a lack of knowledge and common definitions are still present to define its key concepts Since 2021 EFPA Luxembourg launched an original initiative to democratise best practices in Sustainable Finance and establish clear and common definitions for its key concepts Today the EFPA ESG Handbook is joined by more than fifty entities and seventy co-authors sharing the same ambitions Over the EFPA ESG Advisor certification launched in 2021 and owned by more than 8 000 financial advisors across Europe the European Financial Planning Association EFPA wants to help to close the gap between the current level of information and the level necessary due to increasing regulatory requirements around the integration of ESG criterion This is why the EFPA ESG Handbook is becoming digital with the addition of a dedicated website to enrich its content improve its update and avoid its obsolescence On this site and on top of their handbook owners of the EFPA ESG Handbook will find enriched content a regularly updated information base and practical tools for filtering the various headings on the site History regulation investment products investment process risk management this handbook offers a 360 point of view over the landscape of the Green Finance We hope this journey will help the reader to have a better understanding of what Sustainable Finance means looking at its framework its aims and its challenges I wish you a pleasant reading

Political science in motion Ramona Coman, Jean-Frédéric Morin, 2019-08-06 What are the main trends in contemporary political science research This book examines recent developments in political science research What are the new influences to which the discipline opens itself up Is political science research converging towards a single model or splitting into different streams What are the new challenges at the beginning of the 21st century This collection of essays discusses three interrelated topics the relationship between political science and the problems of politics the relationship between political science and other fields of research and the transformation of the profession EXTRACT The past the present and the future of political science have always been a topic of inquiry for political scientists This collection of essays is not the first to explore the evolution of the discipline Since its inception scholars of politics of all persuasions have re produced the story of the field as a discipline and as a profession

Farr et al 1990 598 Blondiaux 1997 10 Gunnell 2002 339 Dryzek 2002 2006 They have explored the discipline's relation with its social and political environment they have questioned its epistemological and ontological specificities and more recently they have documented its professional standards codes and practices As the discipline expands in different parts of the world the attention devoted to its evolution and development has increased Political science is a recognized object of study and state of the discipline studies are flourishing This book seeks to contribute to these recent debates about the evolution of the discipline by exploring three interrelated themes namely 1 the discipline's co evolution with politics 2 its changing relations with sister disciplines 3 and the transformation of its practices for knowledge production and dissemination We argue in this volume that these topics are fundamental as they directly address the core identity of political science

ABOUT THIS BOOK

There is very little literature on academic journals and how they function or what they achieve and Political Science in Motion is to be welcomed as a step towards filling that gap It is well edited as is evident from the cross references between chapters It answers some of the questions that one might want to ask while others remain unanswered Wyn Grant The London School of Economics and Political Science Review of books

Global Diplomacy Thierry Balzacq, Frédéric Charillon, Frédéric Ramel, 2019-11-08 This volume brings together different approaches to diplomacy both as an institution and a practice The authors examine diplomacy from their own backgrounds and through sociological traditions which shape the study of international relations IR in Francophone countries The volume's global character articulates the Francophone intellectual concerns with a variety of scholarships on diplomacy providing a first contact with this subfield of IR for students and practitioners

La diplomatie culturelle française en Arabie Saoudite, 2001-2021 Louis-Marie Harrivelle, 2022-06-29 La France république la que et démocratique entretient des relations étroites avec l'Arabie Saoudite monarchie religieuse et autoritaire Ce paradoxe s'explique notamment par la volonté saoudienne de créer une identité nationale et de compter sur la scène culturelle mondiale tandis que la France cherche à densifier un partenariat stratégique et promouvoir son expertise culturelle L'ambition d'évaluer de l'Arabie Saoudite pousse la diplomatie culturelle française à se réinventer Une occasion de mieux comprendre une région complexe mais aussi ce qui constitue la culture en France

Repère, 2012 *Politique internationale de l'environnement* Jean-Frédéric Morin, Amandine Orsini, 2015 Les changements climatiques peuvent-ils déclencher des guerres Existe-t-il un consensus scientifique sur la meilleure façon de s'attaquer ces changements Les États Unis sont-ils toujours hostiles en matière de protection de l'environnement La coopération multilatérale est-elle vouée à l'échec face aux souverainetés nationales Que valent les déclarations politiques si elles ne sont pas accompagnées de mécanismes coercitifs Les firmes transnationales peuvent-elles devenir les alliées des ONG Autant de questions qu'aborde ce manuel Incubateur d'idées l'environnement est un domaine fondamental qui ne cesse de s'enrichir depuis la

fin du XXe siècle. Parce que nombre des réalités auxquelles il est confronté sont inédites et sans frontières, il est source de nouveaux outils et concepts en relations internationales tels que l'interdépendance, les modes de gouvernance innovants en réseau, l'intergénérationnelle, l'efficacité de la coopération, etc. L'environnement fournit aussi un angle particulièrement intéressant pour observer la diplomatie de sommets et les interactions entre régimes internationaux ou encore pour analyser l'efficacité de tel ou tel instrument international et le rôle des acteurs non étatiques, notamment les scientifiques. Structuré en fonction des principaux débats analytiques de la politique internationale de l'environnement, ce manuel propose des textes pédagogiques accompagnés de nombreux tableaux, cartes, diagrammes, repères chronologiques, encadrés, index et liens vers des ressources spécialisées afin de faciliter la compréhension de ce champ d'études et d'encourager de nouvelles recherches.
