The Revolutionary Career of Maximilien Robespierre David P. Jordan, 1989-07-15 As it changed forever the political landscape of the modern world the French Revolution was driven by a new type of personality the confirmed self aware revolutionary Maximilien Robespierre originated the role and embodied its ideological essence and extremes the self that he projected to the people was equated with the ideals for which he strove In creating this intellectual biography of so enigmatic a figure David Jordan has stressed the words of the man about himself With great imagination and insight Jordan places Robespierre's self conceptualization within the context of events and explains how Robespierre The Incorruptible a man seen by contemporaries as virtuous could not only equate justice with vengeance and demand it of the people but also stand as its symbol before the world

The Fall of Robespierre Colin Jones, OXFORD. EDITOR, 2021 The day of 9 Thermidor 27 July 1794 is universally acknowledged as a major turning point in the history of the French Revolution Maximilien Robespierre the most prominent member of the Committee of Public Safety was planning to destroy one of the most dangerous plots that the Revolution had faced

Robespierre and the Festival of the Supreme Being Jonathan Smyth, 2016-09-30 The search for a republican morality provides an exciting new study of an important event in the French Revolution and a defining moment in the career of its principal actor Maximilien Robespierre the Festival of the Supreme Being This day of national celebration was held to inaugurate the new state religion the Cult of the Supreme Being and whilst traditionally it has been dismissed as a compulsory political event this book redefines its importance as a hugely popular national event Hitherto unused or disregarded source material is used to offer new perspective to the national reaction to Robespierre's creation of the Festival and of his search for a new republican morality It is the first ever detailed study in English of this area of French Revolutionary history the first in any language since 1988 and will be welcomed by scholars

and students of this period **The Life and Legacy of Maximilien Robespierre** Charles River Editors,2025-05-14 In many ways it is fitting that Maximilien Robespierre 1758 1794 is one of the best known figures of the French Revolution if not its most famous The early years of the Revolution were fueled by Enlightenment ideals seeking the social overthrow of the caste system that gave the royalty and aristocracy decisive advantages over the lower classes Few were as vocal in their support of Enlightenment ideals as Robespierre who was heavily versed in Rousseau and Montesquieu a champion of the bourgeoisie and an advocate of human rights who opposed both slavery and the death penalty But history remembers the French Revolution in a starkly different way as the same leaders who sought a more democratic system while out of power devolved into establishing an incredibly repressive tyranny of their own once they acquired it For that reason the Reign of Terror became the most memorable aspect of the Revolution and at the head of it all was Robespierre whose position on the Committee of Public Safety made him the Reign of Terror s instrumental figure until he himself became a victim of the Revolution s extremism Robespierre has remained one of the Revolution s most controversial figures an enigma in both life and death Known as The Incorruptible to supporters and a bloodthirsty dictator to his opponents what all could agree on was that he was a vital figure during one of history s most momentous events French Legends The Life and Legacy of Maximilien Robespierre looks at the life and legacy of one of history s most famous revolutionaries explaining his role in the French Revolution and analyzing his legacy Along with pictures of important people places and events you will learn about Robespierre like you never have before in no time at all Selected Writings and Speeches Maxmilien

Robespierre,2016-10-19 Few names bring with it such controversy as Maximilian Robespierre Jacobin Revolutionary Martyr above it all Robespierre remained The Incorruptable Here are some of his more notable writings and speeches in a collection designed for easy review From his Prospectus for Le Defenseur de la Constitution to The King Must Die here is a way to access the brilliance and controversy of his work for yourself Robespierre Colin Haydon,William Doyle,1999-07-29 Two centuries after the French Revolution Maximilien Robespierre is still regarded as its towering figure Perceived by some as the champion indeed the incarnation of the Revolution s purest and noblest ideals among others he will always be remembered as the reasoned advocate of the Terror the defender of mass killing during the Revolution s darkest and most tragic phase This volume comprises essays by an array of international scholars and examines Robespierre s life and work from three main perspectives his ideology and vision of the Revolution his role in the period s tumultous politics culminating in his year on the Committee of Public Safety in 1793 94 and nineteenth and twentieth century representations of the Incorruptible by historians dramatists and writers of fiction This book illuminates many facets of Robespierre s career thought and reputation and provides a balanced and up to date appraisal of one of the great figures of European history

Robespierre Peter McPhee,2012-03-13 For some historians and biographers Maximilien Robespierre 1758 94 was a great revolutionary martyr who succeeded in leading the French Republic to safety in the face of overwhelming military odds

For many others he was the first modern dictator a fanatic who instigated the murderous Reign of Terror in 1793 94 This masterful biography combines new research into Robespierre s dramatic life with a deep understanding of society and the politics of the French Revolution to arrive at a fresh understanding of the man his passions and his tragic shortcomings Peter McPhee gives special attention to Robespierre s formative years and the development of an iron will in a frail boy conceived outside wedlock and on the margins of polite provincial society Exploring how these experiences formed the young lawyer who arrived in Versailles in 1789 the author discovers not the cold obsessive Robespierre of legend but a man of passion with close but platonic friendships with women Soon immersed in revolutionary conflict he suffered increasingly lengthy periods of nervous collapse correlating with moments of political crisis yet Robespierre was tragically unable to step away from the crushing burdens of leadership Did his ruthless uncompromising exercise of power reflect a descent into madness in his final year of life McPhee reevaluates the ideology and reality of the Terror what Robespierre intended and whether it represented an abandonment or a reversal of his early liberalism and sense of justice Robespierre and the French Revolution J. M. Thompson,2003-01 Virtue and Terror Maximilien Robespierre,2007-01-17 A chilling exploration of Robespierre s justification of the Terror in the French Revolution **Robespierre** John Laurence Carr,1972 Maximilien Robespierre and the French Revolution Elizabeth Schmermund,Tom McGowen,2015-12-30 Describes the life of Maximilien Robespierre and his influence on the French Revolution The Life and Opinions of Maximilien Robespierre Norman Hampson,1974

Fatal Purity Ruth Scurr,2007-04-17 Against the dramatic backdrop of the French Revolution historian Scurr tracks Robespierre s evolution from lawyer to revolutionary leader This is a fascinating portrait of a man who identified with the Revolution to the point of madness and in so doing changed the course of history **The Life of Maximilien Robespierre** George Henry Lewes,1849 Robespierre George F.
