Household expenditures across the border generally fell throughout 2011. But persistent unemployment and economic downturns in neighboring countries are expected to hit personal budgets hard in 2012, with the cost of the debt ceiling and recent spending cut adjustments and stimulus reductions also adding to the pressure on the personal budget. Additionally, the adjustment period to the recession in the United States has not passed without impact. Many have lost jobs, and those who have retained jobs are concerned about unemployment benefits and other government safety net programs.

Multi-Sector Engagement Initiatives is currently only implemented in countries where there is a significant number of stakeholders. It is used for projects that need the efforts of companies, university students, the general public, etc. Encouraging and motivating to the general public, encouraging them to participate in the work of projects, etc. It is suggested to develop and use the existing study tools (questionnaires, studies, etc.) and use them to collect the data of the study.
