The Content Pool Alan J. Porter,2012-02-15 All companies no matter what industry they are in or what product or service they create do four basic things Offer something for sale sell it collect money for it and create content about what they do Product development Marketing Sales and Finance are all essential to the organization and are typically managed at the VP or CXO level yet a company s content which contains all of its intellectual property is often overlooked The Content Pool Leveraging Your Company s Largest Hidden Asset makes

the case for placing content creation management and distribution on a par with other core strategic business activities

destined to be lovers After the eruption the prophecies are forgotten as all are forced to flee Nobody cares about silly nursery rhymes now certainly not Jalob When shy medic Jalob Baleine heads to war it isn't for romance She only wants to help refugees who have no home or allies Because they are kin Jalob was born under the same glowering volcano on an idyllic island surrounded by dolphins Like the refugees she fled the lava and secretly cherishes the old ways She falls asleep ignoring the pull of tides and dreams of a loving touch Who doesn't And sure maybe Jalob hasn't felt whole for years but war isn't the time for fantasies She keeps to herself and hopes someone else will sort the war out One woman can't heal the world After all she has enough to do what with tending the sick and her supervisor Susan always on her back Then Jalob meets stropky violinist Corail Esplash After an explosive introduction they're forced to spend time together Stress makes them long for a reprise and a fragile line dances between love and hate Inevitably the young women exchange island stories Corail is head strong and rude a typical Ansar who loves to tease and be chased And Jalob strong loyal from Skarle has such fast legs Could the old rhymes about destiny be right Ah fate Death and war are relentless enemies and difficult choices lie ahead Can a shy girl rekindle the power of a dead volcano and harness the ocean One woman can't heal the world but maybe Jalob is the only one who can save Corail

Japan Encyclopedia Louis-Frédéric, 2002 Knowing Japan and the Japanese better Louis Frédéric states in the introduction to this encyclopedia is one of the necessities of modern life The Japanese have a profound knowledge of every aspect and detail of Western societies Unfortunately we in the West cannot say the same about our knowledge of Japan We tend to see Japan through a veil of exoticism as a land of ancient customs and exquisite arts or we view it as a powerful contributor to the global economy the source of cutting edge electronics and innovative management techniques To go beyond these clichés we must begin to see how apparently contradictory aspects of modern Japanese culture spring from the country's evolution through more than two millennia of history This richly detailed yet concise encyclopedia is a guide to the full range of Japanese history and civilization from the dawn of its prehistory to today providing clear and accessible information on society and institutions commerce and industry sciences sports and politics with particular emphasis on religion material culture and the arts The volume is enhanced by maps and illustrations along with a detailed chronology of more than 2 000 years of Japanese history and a comprehensive bibliography Cross references and an index help the reader trace themes from one article to the next Japan Encyclopedia will be an indispensable one volume reference for students scholars travelers journalists and anyone who wishes to learn more about the past and present of this great world civilization
