Re: Recommendation for Sharon Westman

Dear Hiring Manager:

I was initially impressed with Sharon Westman's enthusiasm, communication skills and professional demeanour when I hired her four years ago as a customer service rep within JRW Inc.'s call centre. During the two years Sharon reported to me (I have since moved on to a different department), she consistently demonstrated all of these qualities and more, and I heartily endorse her for any customer service position.

Sharon is reliable, dedicated and eternally upbeat. Her ability to calm angry or frustrated customers is unparalleled, and it is because of her excellence in this area that I repeatedly asked her to mentor new employees in the call centre. Sharon multitasks effectively and can handle a high-volume workload. She consistently met or surpassed all weekly call centre metrics (including customer satisfaction, call volume and response time), and her daily written reports were accurate and thorough.

Of particular value to me as a former call center manager was Sharon's team player mind-set, enthusiastic embrace of change, ability to work with minimal supervision and unwavering commitment to exceeding customer expectations. I regularly received unsolicited praise from customers commending Sharon's outstanding level of service, professionalism and follow-through.

First, it identifies themes that serve as guidelines to insure internal consistency within the organization. Then, it proposes what managers need to do to put their organizations back on track toward excellence. The overall emphasis is on how to get employees to perform at their optimum levels to insure organizational efficiency, effectiveness, quality, and productivity.
