To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for Pat Puccini. Pat volunteered in my Special Education Class from December 2014 to June 2015. He immediately stood out as a future educator with many strengths and skill sets to share. He developed a positive rapport with my students, a class of mostly junior boys with varying exceptionalities and needs. When he wasn't in, the students were always asking for him. He was confident to work with the students in small group and 1:1. Pat also developed relationships with the other teachers on staff. He displayed dedication, and passion in regards to what was best for the students, and this became more apparent as he got to know the students and their individual needs. His caring nature was evident in the way he addressed all students in the classroom, in the halls or on the playground. Pat is a true role model.

Pat is hardworking, conscientious and very mindful of student needs. He did not hesitate to ask for advice or help. Pat was very interested in learning about Special Education in the classroom to further his own learning and knowledge.

It was a pleasure having Pat Puccini in my class and his attitude, dedication and passion will make him a very valuable asset to any school community.

Sincerely,

Tanya Armstrong
Teacher
