Dear Ms. Wehner,

I am writing to express the significant hardships that my family and I are currently facing due to my immigration status. My name is [Your Name], and I am reaching out to provide insight into the difficulties we have encountered and to request your understanding and assistance.

Since my arrival in the United States, I have worked diligently to build a life for myself and my family. However, the uncertainty surrounding my immigration status has caused immense stress and anxiety. As the primary caregiver for my children, I worry daily about the potential consequences of my situation.

My spouse, who is a teacher, has been doing their best to support our family, but their income alone is not sufficient to meet our basic needs.

Our financial stability has been compromised, making it challenging to provide adequate care for our children. They rely on me for emotional support and stability, and the ongoing stress of my immigration situation has taken a toll on their well-being.

I fear that the fear of deportation might impact their mental health, leading to long-term consequences for their future.

In addition to our emotional and financial struggles, we are facing difficulties in accessing essential services. My immigration status limits my ability to work in stable employment, further exacerbating our challenges. I sincerely hope that you will consider the impact of these circumstances on my family as you review my case.

I appreciate your attention to this matter and look forward to your understanding. Please feel free to reach out if you require any further information or documentation.

Thank you for your time and consideration.

Sincerely,

[Your Name]
