Bhima's Mystical Quest Petrus Suparyanto, 2019 This research based on the Jasadipoeran S rat D waruci the Ki Nartosabdan D waruci play and the dhalangs interpretation of the D waruci play they performed Using three divisions of the horizontal tripartite of the D waruci play and of the vertical tripartite of the wayang kulit cosmology together with the Javanese concepts of lair batin and rasa the examination of Bh ma's quest reveals three stages of the Javanese spiritual growth which can be systematically summarized as the purification of the corporeal feelings the purification of the emotional feelings and the purification of the intuitive feelings which culminates in the union with God the so called manunggaling kawula Gustia

Research Anthology on Managing Crisis and Risk Communications Management Association, Information Resources, 2022-07-01 In times of crisis it is crucial that information is disseminated quickly and accurately to the appropriate channels In today's technological world there is a plethora of misinformation that can negatively sway individuals and provide them with false reports To ensure information is distributed appropriately organizations must implement a plan to ensure their communication is effective Further study on the best practices and challenges of managing crisis and risk communications is required to ensure

organizations are prepared The Research Anthology on Managing Crisis and Risk Communications discusses strategies and tactics to effectively manage communication in times of crisis and considers the difficulties associated with maintaining a clear line of information The book also provides an overview of the potential future directions for this field to improve communications moving forward Covering key topics such as misinformation technology leadership and human health this major reference work is ideal for managers business owners organization leaders industry professionals government officials policymakers researchers academicians scholars practitioners instructors and students The Mosaic of Atonement Joshua

M. McNall,2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us Gregory of Nyssa: In

Canticum Canticorum Giulio Maspero,Miguel Brugarolas,Ilaria Vigorelli,2018-08-07 Taken together Gregory of Nyssa s XV Homilies In Canticum Canticorum are at the same time as if in unison a work of spiritual exegetical and theological doctrine The wide spectrum of the themes present in them have prompted a great interest in this work not only among scholars of patristics or theology but also among those interested in biblical interpretation ancient rhetoric or Christian mystical doctrine These Proceedings present the results of the 13th International Colloquium on Gregory of Nyssa Rome 17 20 September 2014 a systematic commentary of Gregory s In Canticum from a broad perspective in the form of sixteen papers and a selection of fourteen short essays devoted to various issues that represent a valuable set of supporting studies

Beyond Every Child Matters Catherine Simon, 2016-12-01 The United Kingdom's Conservative Liberal Democrat coalition government 2010-15 was responsible for some of the most radical changes to education policy for decades Beyond Every Child Matters provides a critical overview of developments in education and social welfare policy in the years following the 2010 general election It explores the conceptual background of a Big Society used to frame Coalition policy and shows how the underlying spectre of neoliberalism both creates issues for policy attention and undermines ensuing policy solutions This book charts those changes which have impacted upon education and schooling in England and Wales and is divided into two parts Part I analyses Conservative philosophical thought and policy discussions that underpin the social welfare and education policies introduced under the Conservative led coalition government of 2010-15 and the subsequent Conservative administration since 2015 Part II looks at these policies in detail and concludes with a discussion of possible alternative policy approaches Set against a backdrop of unprecedented economic crisis and austerity Beyond Every Child Matters will be of interest to students of education and welfare policy academics and researchers

Digital Heritage Reconstruction Using Super-resolution and Inpainting Milind G. Padalkar, Manjunath V. Joshi, 2016-12-12 Heritage sites across the world have witnessed a number of natural calamities sabotage and damage from visitors resulting in their present ruined condition Many sites are now restricted to reduce the risk of further damage Yet these masterpieces are significant cultural icons and critical markers of past civilizations that future generations need to see A digitally reconstructed heritage site could diminish further harm by using immersive navigation or walkthrough systems for virtual environments An exciting key element for the viewer is observing fine details of the historic work and viewing monuments in their undamaged form This book presents image super resolution methods and techniques for automatically detecting and inpainting damaged regions in heritage monuments in order to provide an enhanced visual experience The book presents techniques to obtain higher resolution photographs of the digitally reconstructed monuments and the resulting images can serve as input to immersive walkthrough systems It begins with the discussion of two novel techniques for image super resolution and an approach for inpainting a user supplied region in the given image followed by a technique to simultaneously perform super resolution and inpainting of given missing regions It then introduces a method for automatically detecting and repairing the damage to dominant facial regions in statues followed

by a few approaches for automatic crack repair in images of heritage scenes This book is a giant step toward ensuring that the iconic sites of our past are always available and will never be truly lost
