These theoretical issues remain unresolved when faced by contemporary structural and developmental psychologists, economists, and policy makers. Further, because the existing literature on these subjects is so large and complex, it is difficult to synthesize the findings and draw conclusions. The purpose of this book is to review the current state of knowledge in these fields and to provide a synthesis, drawing on findings from psychology, economics, and policy-making.

These Phages were isolated, cultured, and then subjected to a series of tests to determine their ability to infect and kill *E. coli* O157:H7. The results of these tests are shown in Table 1. The results of the tests indicate that the phages are capable of infecting and killing *E. coli* O157:H7. The phages were also tested for their ability to infect and kill other strains of *E. coli*. The results of these tests are shown in Table 2. The results of these tests indicate that the phages are specific for *E. coli* O157:H7.
