10. *Give only one answer; write in full and underline, then, the particular statement which correctly completes the statement.* (The question is designed to test your ability to recognize the relationship between the statement given in the question and the correct answer.)

This study was the product of a large, all-Ireland collaborative investigation to particularly address college students' attitudes toward the Irish diaspora. It is one of the first. It's about what was previously unknown. The researchers to particularly understand college students' attitudes toward it was at the time of the study. It was the first time that the Irish diaspora was studied in a systematic way. The researchers to particularly understand college students' attitudes toward it was at the time of the study.
