Logan, 2012-09-10 Reviews and Comments Somewhere between infatuation and devotion lost within the folds of insatiable desire and sinfully delicious passion we find the cross roads of Love Lust Lunacy In a Lunchbox Erotically tantalizing and majestically romantic Richard Logan has managed to showcase and compile the running gamut of human emotion that sweeps relationships Erin Young Inspired in part by Love lust Lunacy Oh how my heart loves a restless soul One made for wandering never quite whole Like I could fill them up with pieces of me as they travel on new worlds to see Oh how I love the ways of a vagabond never quite content with what's done Always searching for more to find a truth Never quite sure what they have's of use Oh how I love a restless soul One that aches for something magical Ordinary days can't quench the thirst For what's unknown always spurs the search Is it the lure of your changing course Like the wayward ways of the sea A mystic passion that shackles and sets you free Oh how I love a restless soul Forever changing fleeting seeking more Someone found in being lost Like the inquisition of a dream Not to be defined by resolute notions of reality Oh how I love the untamed heart the question that begs of a restless soul

Love Is Lust First David Amadeus Panckeri, 2008-10-15 Gabriel Garcia Marquez is right Unrequited love is what moves the earth and the sky for me And maybe for you I hope not all of your love remains unrequited To gain anything worthwhile in life one has to risk much This book is an autobiography which delves into the pain as well as the nobility of the pursuit of love which can only occur once in a lifetime This book contains 55 poems all of them springing from the deepest emotions of my life This work centers on passion in its many guises from love to lust The purpose of this book is to demonstrate that there can be no limits to desire and no regrets unless a lover does not follow his/her heart For the fortunate person whose love has been taken to the limits and then been fully reciprocated finally by a lover this book might not make a lot of sense To those of us who are still believers in finding our missing halves I hope this book inspires To those who have become discouraged rejected or too timid to listen to your hearts I ask you to read this book and stay open to the possibility that your lover could walk into your life as early as the next minute Your heart will tell you Listen to your heart

Lust for Love Pamela Anderson, Shmuley Boteach, 2018-04-24 An unlikely pair of voices the world's most recognizable beauty icon and America's rabbi comes together to diagnose how meaningful passionate sex is on the decline in Western culture and what is necessary to save it Sex is dying in America Inundated with sex and starved for it obsessed with it yet clueless about it we are slowly forgetting how to make love The crisis of modern sexuality is seen in high divorce rates in the degradation of sexuality through pornography and tasteless displays of empty counterfeit erotica Most of all it's seen in sexless marriages and platonic relationships where cybersex has become more addictive than the real thing Sex has become so trivialized coarsened and vulgarized that couples no longer feel its pull The once powerful and irresistible magnetism of sex is being diluted and drained The authors propose replacing the 1960s sexual revolution with a new sensual revolution a rediscovery of intimacy that encourages and ennobles human relationships elevates healthy lust and gets us from looking up from the glowing screens of our smartphones to the people around us most especially the people we love the most *Lust for Love* embraces the idea that what our most important relationships need most is lust It is necessary to rediscover what's sexy again how to bring back romance and to understand that in addition to love we need lust to repair our unfulfilling sex lives and broken relationships *Lust for Love* proposes a return to what lovemaking was always meant to be a desire to know and experience another person in the deepest possible way
