**The New Perspective on Paul** James D.G. Dunn, 2008 The New Perspective on Paul By author James D G Dunn published on January 2008 by James D G Dunn 2008 *Romans 4 and the New Perspective on Paul* Gerhard H.

Visscher, 2009 In addition to examining Romans IV includes discussion of writings supporting and opposing the New Perspective position **In Defense of the New Perspective on Paul** Don Garlington, 2005-01-25 The following book is

comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic **The New Perspective on Paul** Kent L. Yinger, 2011-01-01 Can someone please explain this New

Perspective on Paul Where did it come from and will it help or hinder Christian interpreters to grasp the apostle's writings more clearly In The New Perspective on Paul An Introduction Kent Yinger provides concise readable and authoritative answers to these and other questions currently exercising students of Paul The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of

understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective's hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7 *Studies in the New Perspective on Paul* Don Garlington, 2008-06-15 This collection of essays

follows upon its predecessor originally entitled In Defense of the New Perspective on Paul Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The change of the main title to Studies in the New Perspective on Paul is due to the conviction that the New Perspective on Paul actually represents a return to the original context in which Paul proclaimed the gospel of Christ

Therefore it is not something to be defended but propounded in the most positive terms possible **Perspectives on Paul** Scot McKnight, B. J. Oropeza, 2020-10-27 This five views work brings together an all star lineup of Pauline scholars to offer a constructive interdenominational up to date conversation on key issues of Pauline theology The editors begin with an informative recent history of biblical tradition related to the perspectives on Paul John M G Barclay A Andrew Das James D G Dunn Brant Pitre and Magnus Zetterholm then discuss how to interpret Paul s writings and theology especially the apostle s view of salvation The book concludes with an assessment of the perspectives from a pastoral point of view by Dennis Edwards A Discourse Analysis of Galatians and the New Perspective on Paul David I. Yoon, 2019-04-09 In A Discourse Analysis of Galatians and the New Perspective on Paul David I Yoon outlines discourse analysis from the framework of Systemic Functional Linguistics for analyzing Paul s letter to the Galatians From this analysis he determines whether the context of situation better reflects the New Perspective on Paul covenantal nomism or a more traditional perspective legalism The first half of the book introduces the New Perspective on Paul and discourse analysis followed by a detailed model of SFL discourse analysis with respect to register and context of situation The second half is a discourse analysis of Galatians This is the first monograph length study to address the New Perspective on Paul from a linguistic approach and will as such be of great interest to scholars of Pauline Studies linguistics and theology **In Defense of the New Perspective on Paul** Don Garlington, 2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic A New Perspective on Hebrews Kenneth Schenck, 2019-08-27 Going against the tide of much recent scholarship on Hebrews Kenneth Schenck argues that the letter was addressed to a primarily Gentile audience to console them and strengthen their faith in the wake of the destruction of the Temple The implications that Christians Jews and Gentiles alike valued the Temple highly and grieved its destruction point to a new perspective on the so called parting of the ways between Jews and predominantly Gentile Christians Schenck s work challenges many of the established assumptions of Hebrews scholarship and will deserve close attention for years to come Preaching Romans Scot McKnight, Joseph B. Modica, 2019-02-19 First rate scholars and preachers on four interpretive approaches to Paul and Romans Pauline scholarship is a minefield of differing schools of thought Those who teach or preach on Paul can quickly get lost in the weeds of the various perspectives How then can pastors today best preach Paul s message Scot McKnight and Joseph B Modica have assembled this stellar one stop guide exploring four major interpretive perspectives on the apostle Paul Reformational New Apocalyptic and Participationist First elucidated by a

scholarly essay each perspective is then illuminated by three sermons expositing various passages from Paul's magisterial letter to the Romans Coming from such leading figures as Richard Hays James Dunn Fleming Rutledge and Tom Schreiner these essays and sermons splendidly demonstrate how each perspective on Paul brings valuable insights for preaching on Romans

**Paul's New Perspective** Garwood P. Anderson, 2016-09-29 The debate between the Old and New perspectives on Paul has reached a stalemate But what if Paul's own theological perspective developed over time Starting with the teaser that both camps are right but not all the time Garwood Anderson unfolds a new proposal for overcoming the deadlock infusing new energy into the quest for understanding Paul's mind and letters

**Paul's Gospel in an Intercultural Context** William S. Campbell, 1991 A new perspective on Paul and his relation to his Jewish heritage has recently emerged particularly in the interpretation of Romans

The author in dialogue with recent international scholarship explores the context and theology of Paul's most influential letter. Paul's strategy when faced with the divisions in the house churches is to stress the continuity between the new messianic faith and the faith of Israel. In Christ in the renewed covenant, Israel's election is both confirmed and transformed. In view of the inalienable place of Israel, Christian identity cannot now be defined in anti-Jewish or in purely Gentile terms. Paradoxically, although Paul argues there is no distinction in Christ between Jew and Gentile, socially he is prepared to recognize abiding differences in life style and he does not advocate that Christian Jews separate from the synagogue. Paul's challenge is to accept one another as different but as equals in Christ until the full realization of God's purpose for Israel and the world. Paul's gospel is a gospel of hope both for Israel and the nations. He is confident that God has the power to fulfil his purposes and achieve his covenant goal for all humanity.

**The New Perspective on Grace** Edward Adams, Dorothea H. Bertschmann, Stephen J. Chester, Jonathan A. Linebaugh, Todd D. Still, 2023-08-08

For those inspired by Barclay's Paul and the Gift, over the course of his academic career John M. G. Barclay has transformed how we think about Paul. Barclay's contributions to Pauline Studies reached a new height with the publication of his award-winning Paul and the Gift, in which he presents a sophisticated reading of Paul's theology of grace within the context of gift-giving in the Greco-Roman world. But where does Pauline scholarship go from here? Featuring a diverse group of internationally renowned scholars, *The New Perspective on Grace* collects essays inspired by Barclay's magnum opus. These essays broadly explore the implications of grace and gift across a variety of fields: biblical studies, theology, reception history, and theology in practice. Topics include Paul's soteriology, the role of grace in Paul's life and ministry, implications of the New Perspective on Paul, divine giving in the Gospels, gift-giving and Christian aesthetics, interpretations of Pauline grace from the patristic period to the present, self-giving and self-care, grace and ministry in marginalized communities. *The New Perspective on Grace* is essential reading for all students and scholars who want to understand the current state of Pauline scholarship.

*Rereading Romans from the Perspective of Paul's Gospel* Yung Suk Kim, 2019-07-02

Paul did not write a systematic theology or specific church doctrines when he wrote Romans. His audience was Roman Christians, and his last will was to preach the gospel to all, especially gentiles in Spain. Through this letter, Paul wants to pave the way for a visit to Rome and expects their support on his mission trip to Spain. The question is this: What kind of the gospel does he want to share with them? Traditionally, the letter has been read from the perspective of forensic salvation, that an individual justification occurs once and for all by faith in Christ. This view remains with the so-called New Perspective on Paul, and Christ's faithfulness has not been explored. Rereading the letter with a renewed concept of the good news in the letter, this

book challenges the traditional reading of Romans and explores Paul's threefold gospel that features the gospel that is God centered Christ exemplified and Christian imitated His main concern is how gentiles can become children of God as well as how Jews may live faithfully in Christ In Romans the good news is the power of God for salvation to everyone who has faith It is not a set of knowledge about God or Jesus Paul is eager to share this gospel of faith with the Roman Christians and to correct some misunderstandings about him since his gospel is viewed as anti Jewish or antinomian From Pentecost to Patmos, 2nd Edition Craig L. Blomberg, Darlene M. Seal, 2021-07-01 Pairing depth of scholarship with contemporary application the authors of From Pentecost to Patmos have produced a unique introductory New Testament textbook Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation showcasing the historical linguistic and theological implications found in each book This second edition includes expanded footnotes and a lengthier up to date introduction to Paul Newly added review questions maps and diagrams enhance the scholarship and make the resource truly user friendly

**The Doctrine on Which the Church Stands or Falls (Foreword by D. A. Carson)** Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology

*Perspectives Old and New on Paul* Stephen Westerholm, 2004 Here finally is a much needed review and analysis of the divergent interpretations of Paul With a clear head and winsome sense of humor Stephen Westerholm compares the traditional understanding of Paul to more recent readings drawing on the writings of key figures in the debate both past and present Westerholm first offers a detailed portrait of the Lutheran Paul including the way such theologians as Augustine Luther Calvin and Wesley have traditionally interpreted justification by faith to mean that God declares sinners righteous by his grace apart from works Westerholm then explores how Paul has fared in the twentieth century in which New Perspective readings of Paul see him teaching that Gentiles need not become Jews or observe Jewish law to be God's people The final section of the book looks anew at disputed areas of Paul's theological language and offers compelling discussion on the place of both justification by faith and Mosaic law in divine redemption

*Currents in the Interpretation of Paul* Neil Elliott, 2024-09-05 The apostle Paul has long been championed or criticized as a Christian thinker as a brilliant theological genius or an enthusiastic convert who spun arguments to justify his new allegiances In these essays Neil Elliott engages some of the most provocative currents in contemporary scholarship including Paul and the nature of violence the presumptions of religious cultural or national innocence in particular interpretations of the apostle the recent enthusiasm for Paul in some streams of Marxist thought competing construals of economic realities in Paul's day and our own and questions surrounding Paul's legacy today
