Throughout this essay, I will be analysing which of the characters of Shakespeare's 'Romeo and Juliet' were to blame for the 'Star crossed lovers' foretold deaths. Regarding the historical and social context, I will allude to how this influenced the main characters.

Set in the Italian city of Verona during the 16th century, the Elizabethan period, laws would allow for marriage between juvenile couples; girls as young as twelve, and boys of fourteen, with parental permission. Marriage enabled families to gain properties, friends and allies among the nobility and gentry. Although women were awfully limited to their homes and had rights and responsibilities immensely different to those of men, most women were perfectly happy and comfortable with their arranged marriages. Opportunistic Lord Capulet saw Juliet marrying Paris as a chance for further wealth and status.

Overpowered by haste and violence throughout the play, Romeo Montague is continually deluded by various women. At the start of the play, Romeo predicts his own death, as he declares that he would die for love, he is influenced by fate. Forever allowing his heart to rule his head, Rosaline began as his heart's desire, but Juliet was quick to steal Romeo's gaze, 'I have forgot that name and that name's woe'; referring to how he had officially forgotten of Rosaline, once so influential over Romeo. Having been requested to read aloud a list of guests attending the Capulet Ball, Romeo learns that his fair Rosaline is to attend. Without this knowledge Romeo would not have attended as a masked man, never seeing Juliet. Whilst if Peter, the messenger, having being able to read, would not have enlisted to help of Romeo. At the believed death of Juliet, his immaturity results in his murder of Paris, whom desires a farewell, Romeo's killing words being, 'wilt thou provoke me? Then have at thee, boy!'

Romeo And Juliet Who's To Blame

Contrasting to her lover's immaturity, Juliet was too advanced for her age, insisting Romeo declare his love for her; by marriage. Having voiced her adoration for him on only their first night of meeting, 'My love as deep; the more I give to thee, the more I have, for both are infinite.' Careles

Romeo and Juliet (Annotated with Biography and Critical Essay) William Shakespeare, 2013-11-07 Shakespeare's *Romeo and Juliet* is a tragedy about two teenagers who fall in love. Both are dead by the play's end. The play is set in Verona, Italy, during the Renaissance. The plot is driven by the feud between two families, the Capulets and the Montagues. The play begins by introducing the rivalry through a brawl that is taking place amongst the servants of the two families. Romeo, son of Lord Montague, overhears that Lord Capulet is going to be hosting a ball. Romeo decides that he will attend uninvited. He goes to the ball with his friends Mercutio and Benvolio. Romeo meets the lovely Juliet Capulet and they fall in love. Later on, Romeo visits Juliet and stands under her balcony; they exchange vows of love. Romeo asks Friar Laurence to marry them; the Friar agrees in the hope that it will end the families' feud. This annotated edition includes a biography and critical essay.
