

# Hospital Volunteer Recommendation Letter

March 21, 2017

To Whom It May Concern:

I am writing to you today to let you know about the continuation of our new program last year offered to all high school seniors interested in the health care field. This program replaced all job shadows for senior projects previously provided at Stevens Hospital and is the only option available to seniors for their projects.

The program is called Advanced Care Volunteers. Students will be given a thorough orientation to the hospital and patient care. They will then be oriented to a unit of their choosing where they will interact with patients, nursing staff and all of the support staff involved in each patient's care. Students are required to commit to a minimum 4 hours per week for a three month term. This does exceed the number of hours many senior projects need, but with liability and confidentiality issues we need to be sure we have serious students who are truly interested in healthcare. A certificate of completion will be given when the student completes the program to verify all volunteer hours completed.

We recognize these students are working on a school project and every effort will be made to accommodate their learning goals. Volunteers are encouraged to ask questions of staff members during their scheduled volunteer time. Volunteers are also encouraged to interview receptive patients and accompany the patients with permission to any tests or procedures.

Healthcare is a fast paced demanding environment. With this new program, students will be able to be a part of it rather than just observing and provide assistance to staff and patients.

Any interested students should contact Jessica Hogue at 425-640-4340 and get the process started as soon as possible. The steps are as follows:

1. Schedule interview with Jessica Hogue and Raegan Fisher - 425-640-4340.
2. Complete junior volunteer application including two letters of recommendation.
4. Attend Hospital Volunteer Orientation September 30, 2010, 2:30 – 6:30
