**Dear Sister in Christ,**

I am writing this as a letter to you personally, Diane, my dear sister in Christ, so that if you become anxious about the future, or you need encouragement about what is ahead, you can read it and hopefully hear God speak to your heart.

I am writing this because I want to remind you of the great future God has for you. I know this because He said so. He says you have not seen, nor heard, nor even imagined anything as great as what He has prepared for you (1 Corinthians 2:9).

You have no idea how great your future is. He says that what He has for you is so great that if you truly understood it, you would feel "that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed" in you (Revelation 8:18). That means whatever you envision for your life right now is already too small.

Don't judge your future by what you read in the newspaper or the words someone spoke over you one time. Your future is in God's hands, my dear sister in Christ.

Don't become discouraged if things don't happen as fast as you would like them to. They never do. Don't be concerned if you are not seeing all that you want in response to your prayers. You will.

**The Letters of the Late Father George Porter, S.J., Archbishop of Bombay** George Porter,1891 *Catholic Church Milestones* William Frank Smith,2010 Catholic Church Milestones is a concise easy to read introduction to the people and events that have shaped the Institutional Catholic Church from its beginning to the present day Counting over one billion members worldwide the Catholic Church is the world s largest Christian denomination and over the course of the last two thousand years has played a significant role on the world stage Milestones presents the reader with both the good and not so good people and events in the church s history Included are brief summaries of all twenty one ecumenical councils the highlights of several of the most notable papacies introductions to several of the spiritual mystics who have enriched the church and descriptions of some of the world events that played a role in moving the church to where it is today This is an ideal book for shared group discussion as well as for personal reading and reference Milestones starts with a basic understanding that Jesus did not found a church rather his apostles and followers began small communities of believers after Jesus Resurrection In each of eight discrete time periods the principle people and events are listed and discussed Starting with the early local communities founded by the apostles the first time period encompasses the early persecutions faced by the followers of Jesus and the transition of this new Way from a sect of the Jewish faith into a completely separate mostly gentile religion By the fourth century we see the dramatic change as this new belief system becomes the official religion of the Roman Empire followed by the even more dramatic changes as the Roman Empire splits and then falters leaving the Pope in Rome as a major player in the political life of the western part of the former Empire throughout the middle ages At the beginning of the eleventh century the first major split occurs in the Catholic Church as most of the Eastern Churches reject the leadership of the Pope and form a new Orthodox union that exists to this day followed some five hundred years later by a major split in the West as Martin Luther and other reformers call for changes in the church which Rome soundly rejected Instead the Catholic Church turned inward and put up further walls of separation in its counter reformation attitudes it would staunchly hold for the next four hundred years even as the world changed with the industrial revolution scientific breakthroughs communism and then two world wars during the first half of the twentieth century Finally we look at the

Bellous,2013-09-13 The book demonstrates the hopeful stance the young take in response to ordinary suffering and significant trauma when adults talk with them about their losses Its underlying themes convey the truth that loss and recovery are normal in the process of growing to maturity It examines the strength of the child s capacity for resilience through partnerships with adults who allow children to focus on the loss and tell the story of its meaning to someone who really hears it The authors agree that adults need to perceive their own losses so that their attentiveness to the young is informed by wisdom that comes through self understanding but also agree that many adults do not offer that help to children because they believe it will make matters worse The book reveals this fear as a false notion by dealing with childhood traumas such as acquired disability warfare HIV AIDS death of one s parents and cultural dislocation The authors are experienced practitioners who provide practical and theoretical insight into the dynamics of loss and recovery The book offers hope for those who live and work with children and youth through its studied approach to addressing loss by describing young people s potential to work towards wholeness even in the face of fundamental losses to their security This book was published as a special issue of the International Journal of Children s Spirituality The Catholic Weekly Instructor ,1844 Life and Letters of Henry Van Rensselaer ,1908 **Be Not Afraid!** Frederic M.
