Nokia 900 Lumia User Guide:

Mobile Security: A Guide for Users David Rogers, 2013-08-22 Mobile device security is something that affects nearly every person in the world. Users are still however crying out for good information on what they should do to prevent theft, protect their smartphone from attack and for advice that they can use practically to help themselves. This short book sets out to address that. Originally written as a whitepaper for the Police in the UK, it gives some of the history of mobile security and explains the efforts that have gone on behind the scenes in the mobile industry to help secure users. It also provides guidance for users to help protect themselves. The technology in mobile phones is constantly evolving and new threats and attacks emerge on a daily basis. Educating users is one of the most important and valuable things that can be done to help prevent harm. The author brings his extensive experience of the mobile industry and security development for devices to this book in order to help make users safer and more secure.

A Practical Guide to Computer Forensics Investigations Darren R. Hayes, 2015 A Practical Guide to Computer Forensics Investigations introduces the newest technologies along with detailed information on how the evidence contained on these devices should be analyzed. Packed with practical hands-on activities, students will learn unique subjects from chapters including Mac Forensics, Mobile Forensics, Cyberbullying and Child Endangerment. This well-developed book will prepare students for the rapidly growing field of computer forensics for a career with law enforcement, accounting firms, banks and credit card companies, private investigation companies or government agencies.

Siri For Dummies Marc Saltzman, 2012-11-09 Find out what Siri's got up her sleeve with this fun and friendly guide. Who couldn't use a little extra help these days? Answers, information, reminders and all sorts of additional help are only a verbal query away with Siri, the artificial intelligence personal assistant. Siri made her debut with the iPhone 4 and is now updated for iOS 6 as well as the third generation iPad and she is ready to assist. This easy-to-understand guide walks you through the vast array of capabilities that Siri boasts: from creating texts and e-mails from dictation to getting directions to finding a restaurant in the area. You'll discover how to check the weather, get sports scores and schedules, look up a movie review, get Facebook and Twitter updates, make dinner reservations and much more. Explains how to finesse the perfectly worded questions for Siri in order to get the most helpful and accurate answers. Details how to have Siri make phone calls for you, look up information in a dictionary or on the web or get music. Walks you through using Siri to get stock quotes or enter numbers into a calculator and get an answer. Shows you how to use Siri to set reminders and alarms, take notes, get turn-by-turn driving directions and more. Just like Siri, the straightforward but fun *Siri For Dummies* is here to help you.
