Introduction

IMPORTANT:

This document is intended for use by authorized NOKIA service centers only.

The purpose of this document is to save process time and improve repair quality for customer care level 1 and 4 service activities on NOKIA mobile phones.

You should use this document together with the service manual and other training or service information such as Service Bulletins.

New: searchable component finder

Note that in addition to the normal component finder, this document also includes searchable component finder pages on the last four pages of the document. To find a component location, open this document in your PDF reader on your PC and use the reader's search function to search for a component.

For example, if you are using Adobe Reader, press **Ctrl+F**, type the component reference (for example, "N6720") and use the "Find next" button to see the next match. The first match will typically be in the schematic, the next match in the traditional component finder and the last match in the searchable component finder.

While every endeavor has been made to ensure the accuracy of this document, some errors may exist. If the reader finds any errors, NOKIA shall be notified in writing.
