

THRILLING NARRATIVES OF MUTINY, MURDER AND PIRACY,

A SECOND SERIES OF
TRUE AND INTERESTING
FROM THE COMPLAINT MADE BY THE CAPTAINS TO THE PRESIDENT, 1781,
WITH ACCOUNTS OF
THEIR DEATHS
AND
THEIR MURDERING THE CAPTAINS.

WRECK OF A SLAVE SHIP.

The following extract of a letter from Philadelphia, dated November 11th, 1783, gives an account of the calamitous disaster that befell the *Florida*, Capt. McClellan, in latitude 33 deg. N. and longitude 73 deg. W. from London, bound to Port-au-Prince, in Maryland, from the coast of Africa, with 380 slaves on board.

"On Wednesday the 28th of October 1783, at six o'clock in the evening, came on a most violent gale of wind at north, with thunder and lightning, the sea running very high, when the ship sprung a leak, and we were obliged to lie-to under bare poles, the water gained on us with both pumps constantly working. 10 P. M. endeavored to put the ship before the wind to no purpose. At twelve the small ballast having shifted over board, and there being seven feet water in the hold, all the masts aloft, and the ballast shifted to leeward, out away the rigging of the main and mizen masts, both of which went instantly down by the deck, and immediately after the foremast was carried away about twenty feet above. These overboard all our guns, upon which the ship sighted a line. We were then under a necessity of letting all our slaves out of boxes, to assist in pumping and baling.

"Thursday morning being moderate, having gained about three feet on the ship, we found every cask in the hold stove to pieces, so that we only saved a barrel of flour, 50 lbs. of bread, twenty-five gallons of wine, beer, and ale, and twenty-five gallons of spirits. The women and slaves were employed all this day in pumping and baling; the pumps were frequently choked, and brought up great quantities of sand. We were obliged to hoist one of the pumps up, and put it down the quarter deck hatchway. A ship this day bore down upon us, and, though very near, and we making every signal of distress, she would not speak to us.

"On Friday, the men slaves being very sullen and unruly, having had no sustenance of any kind for thirty eight hours, except a drink, we put one half of the strongest of them in boxes.

"On Saturday and Sunday, all hands night and day could scarce keep the ship clear, and were constantly under arms.

Nonfiction Short Stories For Middle School:

Supporting Reading in Grades 6-12 Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6-12 that school librarians and teachers can use collaboratively to enhance reading skill development, promote literature appreciation, and motivate young people to incorporate reading into their lives beyond the required schoolwork. *Supporting Reading Grades 6-12: A Guide* addresses head-on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students' motivation and test scores. The book provides a comprehensive framework for achieving this: the READS curriculum, which stands for Read as a personal activity, Explore characteristics, history, and awards of creative works; Analyze structure and aesthetic features of creative works; Develop a literary-based product; and Score reading progress. Each of these five components is explained thoroughly, describing how school librarians can encourage students to read as individuals, in groups, and as school communities support classroom teachers' instruction and connect students to today's constantly evolving technologies. Used in combination with an inquiry/information skills model, the READS curriculum enables school librarians to deliver a dynamic, balanced library program that addresses AASL's Standards for the 21st Century Learner.

Discovering Short Stories With Middle School Teresa Thuel, 2015-10-31 This book is by the author of *Short Stories For Middle School* and *Discovering Short Stories With Upper Elementary*. It contains a wonderful selection of fiction, poetry, folklore, and nonfiction that is perfect for middle school. The stories have been selected based on the author's experience as a middle school teacher. They include stories that are great for teaching narrative and literary elements but also has a high interest level for students. There are also stories for teaching figurative language and informational text. Short stories are a great way to introduce students to genres such as poetry, fiction, folklore, history, expository writing, biography, and more. Most stories provide opportunities to develop students' competence for Common Core Anchor Reading Standards.

Middle Grades Research Journal Frances R. Spielhagen, 2014-06-01 Middle Grades Research Journal (MGRJ) is a refereed, peer-reviewed journal that publishes original studies providing both empirical and theoretical frameworks that focus on middle grades education. A variety of articles are published quarterly in March, June, September, and December of each volume year.

Every Reader a Close Reader Samantha Cleaver, 2015-07-17 Close reading, the purposeful, focused reading and rereading of text, is more than an education buzzword. *Every Reader a Close Reader* defines and unpacks the components of close reading and explores how to apply it within the context of the Common Core State Standards so that every student will be able to implement close reading strategies in class and independently. Drawing expertise and ideas from research as well as teachers from across the country, *Every Reader a Close Reader* serves as both an instructional guide and professional development tool for classroom teachers and instructional leaders to use when starting or strengthening close reading at the classroom level. In addition, this book includes chapters that focus on developing the close reading skills of students who are

struggling readers English language learners or gifted learners
