Attention Rising 12th graders for the 2022-2023 School Year

A second dose of Meningococcal Conjugate Vaccine (MCV4) is required before entering the 12th grade or by 17 years of age, whichever comes first. This requirement was put into effect August 1, 2020. If you were born prior to January 1st, 2003, the second dose is not required for public school attendance. Failure to submit proof of receiving this vaccine will result in exclusion from school and school activities for the upcoming school year.

1. Contact your doctor/health care provider or local health department to meet this immunization requirement. 2. Submit your updated immunization record to your school nurse.

It is very important that parents contact the school office to report address and phone number changes. Please see the district's website for information on required proofs of address.

Parents and Students will not have access to Parent/Student Portals, beginning June 26 through Summer. Access will be reinstated on or before the first day of school.

North Carolina Prevention Report Card:

Our Nation's Schools--a Report Card United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1975 *Adolescent Literacy* Judith Davidson, David Koppenhaver, 2017-11-22 Originally published in 1988 Much has changed since then in schools Mobile technologies interactive whiteboards digital texts class websites student authored blogs social networking and photo sharing sites found integrated into so many classrooms hadn't even been imagined by most educators What hasn't changed however are the developmental needs of adolescents A sense of competence opportunities for creative expression positive social interactions and opportunities for self definition remain centrally important Similarly print literacy i.e. reading and writing with traditional orthography continues to contribute strongly to academic success employment opportunity health and life satisfaction Consequently this book remains very relevant today Through case descriptions of literacy programs situated in formal and informal settings the book draws attention to the ways that developmental appropriateness and engaging literacy instruction can assist all youth in reaching their full potential as readers and writers *The Bulletin of the North Carolina Department of Agriculture*, 1918 *Public Health Reports*, 1995 **Preventing Youth Access to Tobacco** Steven Pokorny, Leonard Jason, 2014-05-22 Learn to develop and assess comprehensive youth tobacco interventions Preventing Youth Access to Tobacco examines the components of a preventive public health intervention directed at reducing the rate of youth tobacco use This valuable book describes this innovative intervention which involves making tobacco more difficult for young people to acquire and also calls for fines for possession of tobacco It illustrates the rationale for this intervention and reviews the literature on the topic pointing to findings that indicate that this kind of comprehensive intervention has been shown to be effective From the editors The amount of human pain and suffering caused by tobacco use is immeasurable Preventing youth smoking initiation of the most effective way of reducing long term mortality from heart disease chronic lung disease and other tobacco related disorders Smoking is the leading preventable cause of death in the United States killing over 400 000 people each year This is more people than die of AIDS homicide suicide automobile accidents illegal drug use and fires combined Despite these facts 22.9% of adult Americans and 13.8% of Americans under 18 smoke cigarettes This essential book can provide some much needed answers showing you effective ways of reducing the rate of regular smoking among adolescents how to assess a community's readiness to change how to gauge the effectiveness of tobacco laws directed toward youth how to judge the comprehensiveness of school based tobacco interventions what factors influence illegal tobacco sales to minors why merchants sell tobacco to kids illegally and what the legal risks are for minors who try to buy tobacco **Resources in Education**, 2001 *Health Services Reports*, 2004 **Failing Our Future** Joshua R. Eyler, 2024-08-27 An indictment of the grading system in American schools and colleges and a blueprint for how we can change it One of the most urgent and long standing issues in the US education system is its obsession with grades In *Failing Our Future* Joshua R Eyler shines a

spotlight on how grades inhibit learning cause problems between parents and children amplify inequities and contribute to the youth mental health crisis Eyler who runs the Center for Excellence in Teaching and Learning at the University of Mississippi illustrates how grades interfere with students intrinsic motivation and perpetuate the idea that school is a place for competition rather than discovery Grades force students to focus on rewards and distract them from exploring ideas or pursuing interests beyond what they ll be tested on In fact grades significantly impede the learning process They are also significantly affecting children s physical emotional and psychological well being Rates of anxiety depression and suicidal ideation have spiked and academic stress tied to grades is a leading cause of this escalation Eyler shares success stories of grading reform efforts that are already under way as an antidote to the harms caused by the practices currently used in educational institutions Equal parts scathing and hopeful Failing Our Future aims to improve the lives of students by encouraging them to define success on their own terms Parents educators policymakers and students will find in these pages a rallying cry for change and a blueprint for how to implement reforms in our homes and classrooms *Middle Grades Research Journal* Larry G. Daniel,2017-12-01 Middle Grades Research Journal MGRJ is a refereed peer reviewed journal that publishes original studies providing both empirical and theoretical frameworks that focus on middle grades education A variety of articles are published quarterly in March June September and December of each volume year *Teaching Literacy in Sixth Grade* Karen D. Wood,Maryann Mraz,2005-05-13 Sixth grade marks the transition to middle school and for many students the transition to early adolescence The sixth grade classroom is a place where problem solving and abstract thinking skills can flourish as teachers devise creative ways to integrate language arts with effective content area instruction This book walks the reader through everyday life in a successful sixth grade language arts social studies classroom and provides foundational knowledge and hands on strategies for working with diverse learners Checklist of Official North Carolina State Publications ,1997 **Biennial Report** North Carolina.
