**Black Muslim Religion in the Nation of Islam, 1960-1975** Edward E. Curtis IV, 2009-01-05 Elijah Muhammad's Nation of Islam came to America's attention in the 1960s and 1970s as a radical separatist African American social and political group. But the movement was also a religious one. Edward E. Curtis IV offers the first comprehensive examination of the rituals, ethics, theologies, and religious narratives of the Nation of Islam, showing how the movement combined elements of Afro-Eurasian Islamic traditions with African American traditions to create a new form of Islamic faith. Considering everything from bean pies to religious cartoons, clothing styles to prayer rituals, Curtis explains how the practice of Islam in the movement included the disciplining and purifying of the black body, the reorientation of African American historical consciousness toward the Muslim world, an engagement with both mainstream Islamic texts and the prophecies of Elijah Muhammad, and the development of a holistic approach to political, religious, and social liberation. Curtis's analysis pushes beyond essentialist ideas about what it means to be Muslim and offers a view of the importance of local processes in identity formation and the appropriation of Islamic traditions.

Charles Eugene Little, 1886 *The Prophecy and Testament* Robert L. Vincent, Consuelo M. Vincent, 2006 Calling to YOU the Brethren That these Words thereof are from He who sent me and all willingness be of thine My Most Holy That day of December 25 1983 forever changed our lives Connie had received many visions of Christ as a young girl but now as an adult something changed A new Visitation unlike any of the previous encounters with God The Vision was in the form of a Golden Book located in Heaven with small and minute in script and in delved upon Gold of the purest form The writing was on Pearl of white paper As I inquired to the Lord about the nature of the Book God revealed to us Therefore this thy Book of True Revealing be restored yet unto Her which is to say My Jerusalem And also adhering to Gods command Neglect not the Work of Mine Hand that is upon ye For that which I have spoken shall come to pass and at this place that ye harbor shall I release The Prophecy of Written Word as that which was spoken of in Scripture as a Overture to come And so now you have it to read and Overture comes It is written in Revelation 11:3 And I will give power unto my two witnesses and they shall prophesy a thousand two hundred and three score days These have power to shut heaven that it rain not in the days of the prophecy and have power over waters to turn them into blood and smite the earth with all plagues as often as they will These Testaments reveal great earthquakes Wars and The Plague of Ephods that threatens 25% of mankind with extinction The Earth toppling on its axis as a final judgment We have no weapons no guns no poisons no armies to fight with to arrest those committing high crimes and treason against humanity As Moses was at the back of the mountain tending his sheep and was summoned to Gods Holy Mountain and there was told he must go and free God's people from bondage with only a staff so we have found ourselves in similar circumstances We have the Spirit of Prophecy Gods secret weapons to set against those

wishing to oppress Israel and God's people The earth is deserving      Dictionary of the Old Testament: Prophets G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel's unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament      *The Vision of Matthew* John P. Meier, 2004-09-30 In this volume Father Meier explores how Matthew remodeled the form the Christological message and the moral demand of the gospel Part I shows Matthew's church in crisis It was experiencing a shift in its Christian existence from a narrow Jewish Christian past to a universal Gentile future To preserve yet reinterpret the particularistic traditions of that Jewish Christian past Matthew drew up a model of salvation history and then reshaped the gospel message to fit it Part II offers a mini commentary on the whole gospel to illustrate this reshaping of the message Pericope by pericope Matthew presents Jesus as Son of God and Son of Man and therefore as the definitive teacher of his Church Indeed the nexus between Christ and his Church emerges as the outstanding characteristic of Matthew's gospel Part III studies Matthew's construction of a unified moral vision on the basis of this connection between Christ and Church The basic stance of Jesus and his disciples towards the Mosaic Law is one of fulfillment a prophetic fulfillment which involves at times a deepening of at times the abrogation of the letter of the Law      **The Tutankhamun Prophecies** Maurice Cotterell, 2001-10-01 Reveals the common origins of the ancient Egyptian and Mayan civilizations Shows how these cultures
