bones clad in blue and gray to create concrete and vinyl siding and front yards laid in chunks child care centers and video  
rental places An exciting new voice in fiction James Boice blends sharp social observations with dark humor and remarkable  
prose In both passing glimpses and intimate interior monologues we come to know Grayson s family his fellow students his  
neighbors and many who knew him only slightly if at all A portrait of a town emerges that renders Grayson s suicide both  
devastating and inevitable NoVA is a unique and fascinating depiction of the American suburb      **Illinois Education** ,1949
