Spring is here, and we are excited to invite you to our annual spring party. It is an excellent opportunity for our students to celebrate the arrival of warmer weather and the blooming of flowers. We would like to invite all parents to join us in making this party a memorable event for our kids.

The party is scheduled for Insert date and time, and it will be held in Insert location. We have a variety of fun activities and games planned for the children, and we hope that everyone can come and enjoy the celebration with us.

- Forks (25)
- Plates (25)

If you are interested in volunteering, please sign up using the Google Docs link provided below. We would appreciate your help in making this a wonderful event for our students.

Thank you in advance for your support, and we hope to see you at the party!

Best regards,

Pro-Family Politics and Fringe Parties in Canada Chris MacKenzie, 2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP's relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the dynamics and issues that make up the current pro family movements in Canada and the United States The Central European Observer , 1926 Congressional Record United States.
