Communication covers concept of communication its elements and the various devices and modes of communication such as
business correspondence non verbal communication essay writing speech and Management Information Systems An
important feature of the book is the fact that it deals not only with written communication but also with spoken
communication including telephone etiquette and speeches within an organisation This book is a must for all those who are
involved in business or who are aspiring to move up the corporate ladder It is a comprehensive guide to communication skills
for corporate executives and business professionals The book will be enormously useful to students of commerce
management international business and sciences as the authors have taken into consideration the fact that 2 students
entering a degree course as well as graduates from science disciplines would not have been introduced to the concepts of
communications and the book does that in an effective manner This book explains the principles of communication and
correspondence in simple language and provides models of written communication with explanations where necessary
