

# Healthy Snacks

Dear Families,

I allow time each day for the students to eat a healthy snack while they are working. I found this interesting article online that gives ideas of good healthy snack options. Students are not expected to bring a snack but it is a daily option if you choose for them to have a snack.

If you have any questions, please feel free to contact me!

Sincerely,

---

*Selling Healthy Lifestyles with Science* Lauren Alex O'Hagan,Göran Eriksson,2024-09-17 This book sets out to historicise our understanding of contemporary trends by studying the long relationship between science food and drink marketing and the promotion of healthy lifestyles It aims to bring together contemporary and historical research from a multimodal perspective considering how scientific discourse and ideas about health and nutrition are channelled through visual and material culture Using examples of advertisements commercials and posters the 16 chapters in this book will foster a cross disciplinary and cross temporal dialogue uncovering links between past and present ways that manufacturers have capitalised upon scientific

innovations to create new products or rebrand existing products and employed science to make claims about health and nutrition. They will thus demonstrate the continuity of science in food and drink marketing even if fundamental ideas of nutrition have evolved over time. The book provides crucial new insights into the significance of the late nineteenth and early twentieth centuries as a period of innovation in food and drink marketing and showcasing how many of the marketing strategies employed today in fact have a far broader historical trajectory. It will be of great interest to students and scholars of Critical Food Studies, Media and Communication Studies, History of Science and Medicine and Cultural Studies as well as nutritionists, dietitians, sportspeople in addition to policymakers and practitioners working in the area of food and drink marketing.
