Understanding the Teacher Union Contract Myron Lieberman, Unionization of teachers has led to fundamental changes in the management of education and in relations between teachers and school districts Understanding the Teacher Union Contract explores the implications of this collective bargaining revolution in education Through detailed examination Lieberman shows how the kinds of provisions typically found in teacher union contracts affect the educational workplace and education reform and how they might be revised to the benefit of students parents and the public Lieberman begins with the respective roles of school district management and teacher unions Unlike managers in the private sector school district officials are part of a government agency that is legally responsible for operating public schools in the public interest They must balance the interests of employees with the needs of students taxpayers and parents as well as with district educational goals Teacher unions

primary objectives are to enhance employee welfare and to promote the union as an effective organization Unions must balance the differing needs of various groups within their membership for example by resolving tensions between older teachers who want improved retirement benefits and younger teachers who might prefer more rapid salary increases Lieberman shows how competing union and management goals play out in collective bargaining and are embodied in teacher union contracts He argues that by developing an understanding of teacher unions their role and their needs district officials and school board members can bargain more effectively and develop a productive ongoing relationship with unions This highly readable book will be of interest not only to school administrators and board members but also to teacher representatives parents taxpayers and members of the media who report on education *Company Law, 3rd Edition* Ellie (Larrelle) Chapple, Richard Baumfield, Richard Copp, Robert Cunningham, Akshaya Kamalnath, Louise Floyd, Alex Wong, 2023-10-23 This award winning text is written specifically for accounting students It is concise and to the point covering the core topics a student needs to learn in a typical company law unit With an expansive range of digital resources within the interactive eText students will be guided through the real life application of what they are learning using media such as practitioner interview videos animated work problems and questions with immediate feedback **Business Report Guides** Dorinda Clippinger, 2019-01-16 This book includes reports that managers originate often reports they may create occasionally organizational policies procedures and work instructions Inside the reader will discover guides for creating over 20 diverse reports designing report forms planning writing and formatting narrative reports producing digital and print employee manuals and locating the service providers and software that can improve your reports cost effectiveness A crisp writing style bullet points and many authentic examples and visuals convey essential information quickly Each chapter summary includes checklists Business Report Guides gives ample information to apply instantly It also works as a handy reference for use throughout your career **Suncor Inc.** Joseph R D'Cruz, 1987 Program Management Complexity Ginger Levin, J. LeRoy Ward, 2016-04-19 Although complexity is a phenomenon that confounds and challenges program managers across industry sectors there is little information available that identifies the set of competencies managers need to complete their program successfully and deliver the benefits desired by stakeholders Program Management Complexity A Competency Model fills this *Board Talk* Kathryn Bishop, Gillian Camm, 2023-10-30 Business Book Awards 2024 Finalist An accessible guide to the business of being a board director through the lens of 18 crucial conversations How do you understand what is really going on in an organisation so you can exercise the oversight that is required from you How do you overcome the information asymmetry problem where the executive directors know more about the operation than you do How will you collaborate as a board to set the right strategic direction in a context that changes constantly How will you see the organisation through the eyes of your advisors your employees and your key stakeholders How can you manage the risks you know about as well as the ones you don't Your best tool for all of this is conversation about the right topics with the right

people at the right time This book shows you what these conversations need to cover and how to make them count Whether you are a new director of a PLC a long standing Trustee of a charity or a governor of an educational institution this book will help you and your colleagues become the board your organisation needs **Eight at the Top** Gloria Johnston, Gwen Gross, Rene Townsend, Peggy Lynch, Pat Novotney, 2001-12-04 There are over 15 000 superintendents leading school districts across the United States today Yet despite the high visibility and prestige of the position what superintendents actually do on a day to day basis remains mysterious to the layman and even to those in the profession This book authored by eight California superintendents is a narrative telling their stories_ from the professional side as well as the personal It traces their beginnings as teachers follows their moves into administration and looks at the skills that they use to communicate analyze and succeed **Leading a Board** Stanislav Shekshnia, Veronika Zagieva, 2021-05-15 This book represents the first cross country study of the work of board chairs in Europe It focuses on what board leaders actually do rather than what they should do and elaborates on a conceptual contingency framework for understanding chairs work in Europe In this second edition 18 experts from 14 European countries interviewed more than 300 chairs CEOs directors and shareholders to detect and compare specific practices and instruments that chairs use to deal with various challenges Researchers also assessed the impact of the COVID 19 pandemic on the work of chairs and the boards they lead The book benefits incumbent and future chairs directors shareholders CEOs executives and regulators in developing a systemic understanding of the work of a chair in the European business context and gaining insights into how the leader of the board deals with specific challenges
