Nomination letter should highlight the student's accomplishments, areas of leadership, and involvement in and outside of PLU. It should also include how the nominator has personally been impacted by the nominated student.

Example 1

Jane has been an outstanding asset to the PLU community throughout her tenure as a student. She has participated and led numerous cross campus co-curricular activities, as well as excelling academically in the fields of Communication, Spanish and Public Affairs. She is a veteran leader with Residential Life and has served in a number of Residential Halls as well as serving the campus community in PLU Democrats, ASPLU Global Awareness Team and the Mooring Mast.

Jane is a distinguished student who has contributed a great deal of creative leadership both in the classroom and in the PLU community at large. Jane has taken an active role in what is means to be a student leader and participated in passionately campaigning for Voter Registration as the president of the PLU Democrats, co-coordinated the events for March's Iraq War Awareness Week, and served as a facilitator for EXPLORE! – the vocation retreat for first-year students. She has also explored her own self-concept and which guides her choice of leadership experiences and her three academic internships with the Portland's Children's Museum, campaigned on a winning local State House race and working on behalf of Human Services in the City of Tacoma.

She is a distinguished student who has contributed a great deal of creative leadership both in the classroom and in the PLU community at large. Jane has made her mark on the residential community of PLU by servings as the Tingelstad Residence Hall Council Treasurer her sophomore year and becoming a Resident Assistant in both Stuen and Tingelstad halls. This year, she has been an outstanding Community Assistant for South Hall helping to craft the South Hall Upperclassmen Resident Experience (S.U.R.E.) program. I believe Jane should be recognized for her effort to make PLU a diverse community with creating opportunities to meet students where they are at in their own development and how important it is to have each student voice matter. She is a well-known "go-to" student for being able to deftly capture and convey what it means to be a reliable and balance student leader, and admirably represents the pinnacle of the student body.
