Independent and American Journal of Life Insurance ,1905 *Origen and Scripture* Peter W. Martens,2012-01-06 Scriptural interpretation was an important form of scholarship for Christians in late antiquity For no one does this claim ring more true than Origen of Alexandria 185 254 one of the most prolific scholars of Scripture in early Christianity This book examines his approach to the Bible through a biographical lens the focus is on his account of the scriptural interpreter the animating centre of the exegetical enterprise In pursuing this largely neglected line of inquiry Peter W Martens discloses the contours of Origen s sweeping vision of scriptural exegesis as a way of life For Origen ideal interpreters were far more than philologists steeped in the skills conveyed by Greco Roman education Their profile also included a commitment to Christianity from which they gathered a spectrum of loyalties guidelines dispositions relationships and doctrines that tangibly shaped how they practiced and thought about their biblical scholarship The study explores the many ways in which Origen thought ideal scriptural interpreters himself included embarked upon a way of life indeed a way of salvation culminating in the everlasting contemplation of God This new and integrative thesis takes seriously how the discipline of scriptural interpretation was envisioned by one of its pioneering and most influential practitioners **The Insurance Critic** ,1904

A Theological and Historical Introduction to the Apostolic Fathers John Lawson,2005-11-26 These early Christian leaders set the pattern of faith and practice still evident in the Church today The spirit and impact of that heritage are presented to the reader unfamiliar with the actual writings of these Fathers of the early Church The author carefully avoids technical and controversial elements that are of interest only to scholars Historical matters are featured especially in regard to the teachings on the sacraments and the ministry This emphasis upon the writings results in a concise yet comprehensive pattern of the Fathers major contribution to the life and teachings in the early Church For theological students ministers and Christian laymen this study of the Apostolic Fathers offers a compact introduction to the early foundation and consequent development of Christian beliefs It illuminates the common faith and heritage that have united Christians throughout the ages *Grande Dame Guignol Cinema* Peter Shelley,2009-10-21 This critically analytical filmography examines 45 movies

featuring grande dames in horror settings Following a history of women in horror before 1962 s What Ever Happened to Baby Jane which launched the Grande Dame Guignol subgenre of older women featured as morally ambiguous leading ladies are all such films mostly U S that came after that landmark release The filmographic data includes cast crew reviews synopses and production notes as well as recurring motifs and each role s effect on the star s career The Texas Court Reporter ,1902 **The Bankers Magazine and Statistical Register** ,1872 Bankers Magazine ,1872 The American Bank Reporter ,1907 *Catalog of Copyright Entries* Library of Congress.
