10. *Journal of American Studies* is a leading international literature journal, covering contemporary American studies and publishing new research on the past. The magazine also features a regularly scheduled political commentary. Its pages feature a range of topics, from US history, race, gender, and social movements to international relations and global studies. Issues of the journal are published online.

This essay and the paragraph to come, all under continuous double-blind, computer-graded automatic scoring, estimate that you read extremely well. It is not on the order of the score. It's almost as if you read your way. There are a lot of interesting points, important vocabulary, and a lot of your words are being picked up by the computer. So we are confident of the effectiveness of the system.
