**Narrative Factuality** Monika Fludernik, Marie-Laure Ryan, 2019-12-16 The study of narrative the object of the rapidly growing discipline of narratology has been traditionally concerned with the fictional narratives of literature such as novels or short stories But narrative is a transdisciplinary and transmedial concept whose manifestations encompass both the fictional and the factual In this volume which provides a companion piece to Tobias Klauk and Tilmann K ppe s *Fiktionalit t Ein*

interdisziplinäres Handbuch the use of narrative to convey true and reliable information is systematically explored across media cultures and disciplines as well as in its narratological stylistic philosophical and rhetorical dimensions At a time when the notion of truth has come under attack it is imperative to reaffirm the commitment to facts of certain types of narrative and to examine critically the foundations of this commitment But because it takes a background for a figure to emerge clearly this book will also explore nonfactual types of narratives thereby providing insights into the nature of narrative fiction that could not be reached from the narrowly literary perspective of early narratology

**Point of View** Leslie Watts, 2020-11-09 Finding the right point of view is one of the most important and least understood challenges writers face Point of view extends far beyond the choice of first second or third person POV determines all that a reader knows about the world inside a story Is the murder told from the criminal's the detective's or the victim's vantage point An awful lot rides on that decision In short a story's point of view guides the character's message and events that matter In Point of View Why Narrative Perspective Can Make or Break Your Story Story Grid Publishing Editor in Chief Leslie Watts provides examples from dozens of masterworks to help writers understand telling and showing points of view and narrative devices Does a telling narrator live inside or outside the story Is the focus of a showing POV external or internal Every choice has an impact Watts offers a revolutionary approach to point of view demonstrating how deep study of narrative perspective can empower and uplift storytellers themselves When writers truly master point of view they can share the messages they want to share and bring their stories to life
