Increasing the Understanding of Nonfiction Through Graphic Organizers

Jennifer Swann,2004

**Graphic Organizers Simplified B** Karen Bromley,Marcia Modlo,2024-12-31 This resource is for grades 3-4 and aligns to the International Reading Association IRA and National Council of Teachers of English NCTE

Standard 1 3 6 and 12 A graphic organizer is a visual way to represent knowledge in a pattern using labels Organizing or arranging important aspects of a concept or topic is a critical step in the processes of reading writing and thinking a step that educators used to assume students did in their heads Now we know that helping students develop and or use graphic organizers greatly improves reading comprehension as well as analytical thinking and writing skills Graphic Organizers Simplified is a four book supplemental series that provides teachers with ready to use materials to help students learn how to create and use graphic organizers Each lesson consists of three parts a story article or poem written and illustrated by nationally recognized contributors a graphic organizer to study complete or create work sheets that include comprehension questions guided activities for interpreting data and opportunity to apply and write about what has been learned Selections in each book represent a variety of fiction and nonfiction genres including poetry journal entries humor biography history science nature study sports fantasy and more Each was hand picked as appropriate for the independent and instructional reading levels for the specified grades    Step Up to Writing, Step Into Summaries Rowena Velasco, 2009 Research question s How will teaching and using outlining as a planning strategy impact the organization of second grade students summary writing 1 How will the content quality of student summary writing improve after teaching modeling and scaffolding the use of outlines and writing frames 2 How will this research on second graders writing organization impact a teacher s perceptions about teaching writing Research activities This research explores the use of outlines as a planning strategy to facilitate second grade students writing and impact the organization and content quality of students summary writing Context The study took place in a second grade self contained classroom composed of a diverse group of students with a wide range of academic needs The intervention targeted six students who represented a continuum of writing skills and abilities Proficient Basic Below Basic One of the six focus students was an English Language Learner and one was receiving additional services for language development Methods and data The intervention occurred over a course of nine weeks and comprised of sixteen writing sessions Session activities ranged from whole class direct instruction on intervention components small group brainstorming and practice with Step Up to Writing Auman 2003 graphic organizers and independent application of outlines and writing of drafts Data sets included pre and post parent surveys student writing samples teacher observations and teacher created newspapers documenting the students work and community s responses Results From the analysis of preliminary and outcome data students demonstrated growth in their summary writing Improvements varied but were noted in both the quality of structure and content of writing Improvement in organization was demonstrated through increase in use of transition words and appropriate order of sentence structures improvement in content quality was demonstrated through increase in details and explanation example sentences as well as the strength of support in addition overall student self efficacy was shown to improve through teacher observation Conclusion The inquiry findings suggest that targeting a writing strategy with the use of supplements from a prescribed writing program such as teaching and using informal outlines

as a planning strategy prior to drafting paragraphs may work towards improving the structure and organization of a paragraph Findings suggest that strategies working to improve the organization of writing may also work to enhance the content quality of student work In addition home school connections and teacher perceptions about teaching writing may be reinforced and strengthened through the implementation of a targeted intervention Grade level Elementary Second Grade Data collection methods Parent surveys teacher observations student writing samples parent reflections Curriculum area s English Language Arts Writing Instructional approaches Direct instruction writing collaboration graphic organizers outlining writing summary school community     Graphic Organizers Simplified Karen D'Angelo Bromley,Marcia Modlo,Essential Learning Products Company,2001 This supplemental series provides teachers with ready to use materials to help students learn how to create and use graphic organizers     **Trophies, Grade 3** HSP,2002 NC State textbook adoption 2006 07
