Musical Instrument Makers of New York Nancy Groce,1991 The history of any skilled urban trade is ultimately tied to the growth and development of the city in which it is located From its humble eighteenth century beginnings instrument making grew to be one of New York City s most sizable and important trades By the 1840s the city was the largest producer of instruments in the Western Hemisphere and in the decades that followed designs and innovations pioneered by New York artisans influenced and inspired instrument makers throughout the world Although many of these instruments survive in American museums there existed no comprehensive guide to their makers Nancy Groce s biographical dictionary chronicles all of these master craftsmen in colorful detail from the obscure work of Geoffry Stafford in 1691 to the zenith of the 1890s and on to the Great Depression of the 1930s The Critic ,1904 **The Critic** Jeannette Leonard Gilder,Joseph Benson Gilder,1904 *Unfriendly to Liberty* Christopher F. Minty,2023-05-15 In *Unfriendly to Liberty* Christopher F Minty explores the origins of loyalism in New York City between 1768 and 1776 and revises our understanding of the coming of the American Revolution Through detailed analyses of those who became loyalists Minty argues that would be loyalists came together long before Lexington and Concord to form an organized politically motivated and inclusive political group that was centered around the DeLancey faction Following the DeLanceys election to the New York Assembly in 1768 these men elite and nonelite championed an inclusive political economy that advanced the public good and they strongly protested Parliament s reorientation of the British Empire For New York loyalists it was local politics factions institutions and behaviors that governed their political activities in the build up to the American Revolution By focusing on political culture organization and patterns of allegiance *Unfriendly to Liberty* shows how the contending allegiances of loyalists and patriots were all but locked in place by 1775 when British troops marched out of Boston to seize caches of weapons in neighboring villages Indeed local political alignments that were formed in the imperial crises of the 1760s and 1770s provided a critical platform for the divide between loyalists and patriots in New York City Political and social disputes coming out of the Seven Years War more than republican radicalization in the 1770s forged the united force that would make New York City a center of loyalism throughout the American Revolution **Commercial West** ,1911 Catholic World ,1900 *Paddy's Lament, Ireland 1846-1847* Thomas Gallagher,1987 A shocking account of the great famine in Ireland which sheds light on a bitter hatred for England that continues there today **Bulletin of New Books, No.--** ,1869 **The Four-track News** ,1905 **Lamp**
