Rhinestone Jesus Kristen Welch, 2014 In high school Welch wore a big sparkly rhinestone Jesus pin to school every day and carried her Bible wherever she went but her faith though sincere was shallow There came a day when she stood shocked in the slums of Africa and realized that Jesus wasn't enough for her she needed to put aside the rhinestones and get branded by the real thing This story of spiritual adventure throws the doors wide open for any woman who's ever thought of herself as just a mom and will inspire you to say yes to God right where you are

Growing God's Family Samuel L Perry, 2016-12-06 Illustrates the hidden challenges embedded within the evangelical adoption movement For over a decade prominent leaders and organizations among American Evangelicals have spent a substantial amount of time and money in an effort to address what they believe to be the Orphan Crisis of the United States Yet despite an expansive commitment of resources there is no reliable evidence that these efforts have been successful Adoptions are declining across the board and both foster parenting and foster adoptions remain steady Why have evangelical mobilization efforts been so ineffective To answer this question Samuel L Perry draws on interviews with over 220 movement leaders and grassroots families as well as national data on adoption and fostering to show that the problem goes beyond orphan care Perry argues that evangelical social engagement is fundamentally self-limiting and difficult to sustain because their subcultural commitments lock them into an approach that does not work on a practical level Growing God's Family ultimately reveals this peculiar irony within American evangelicalism by exposing how certain aspects of the evangelical subculture may stimulate activism to address social problems even while these same subcultural characteristics undermine their own strategic effectiveness It provides the most recent analysis of dominant elements within the evangelical subculture and how that subculture shapes the engagement strategies of evangelicals as a group

A Cry for Mercy William Cawley, 2018-11-09 There are so few places in the world to find love mercy and peace Yet in his deep love and compassion for us God has provided his church and his saints as our way to seek him and find what we so desperately need But at a time where we have never needed God more it seems like our church has never reflected God's mercy less A Cry for Mercy is

about how the church today is failing to hear the cries of the people of God Author William Cawley explains how the church's lack of meeting people's needs has affected its relevance today and he offers his thoughts on what the church needs to do to come back to operating as Christ intended We all have spiritual needs and although the church is experiencing prophesied difficulties God will never give up on us But we must surrender to him and his love and respond to him more willingly If you've experienced the diminishing relevance of the Catholic church and are tired of crying out to have your spiritual needs met then A Cry For Mercy will touch your heart and your conscience Moreover it will provide a clear path to renewing the saints of God and by extension the church

Red Feminism Kate Weigand, 2021-04-27 The untold history of feminist activism in the American Communist Party from the 1930s 50s and its influence on the women's liberation movement Publishers Weekly Drawing on substantial new research historian and archivist Kate Weigand disproved the conventional wisdom that the American Communist Party disregarded women's issues Weigand argues that despite the devastating effects of anti Communism and Stalinism on the progressive Left of the 1950s Communist feminists such as Susan B Anthony II Betty Millard and Eleanor Flexner managed to sustain many important elements of their work into the 1960s when a new generation took up their cause and built an effective movement for women's liberation Red Feminism provides a more complex view of the history of the modern women's movement showing how key Communist activists came to understand gender sexism and race as central components of culture economics and politics in American society

***Class Struggle in Hollywood, 1930-1950* Gerald**

Horne,2022-02-24 A taut narrative in elegant prose Horne has unearthed a vitally important and mostly forgotten aspect of Hollywood and labor history Publishers Weekly As World War II wound down in 1945 and the cold war heated up the skilled trades that made up the Conference of Studio Unions CSU began a tumultuous strike at the major Hollywood studios This turmoil escalated further when the studios retaliated by locking out CSU in 1946 This labor unrest unleashed a fury of Red baiting that allowed studio moguls to crush the union and seize control of the production process with far reaching consequences This engrossing book probes the motives and actions of all the players to reveal the full story of the CSU strike and the resulting lockout of 1946 Gerald Horne draws extensively on primary materials and oral histories to document how limited a threat the Communist party actually posed in Hollywood even as studio moguls successfully used the Red scare to undermine union clout prevent film stars from supporting labor and prove the moguls own patriotism Horne also discloses that unnoticed amid the turmoil organized crime entrenched itself in management and labor gaining considerable control over both the product and the profits of Hollywood This research demonstrates that the CSU strike and lockout were a pivotal moment in Hollywood history with consequences for everything from production values to the kinds of stories told in films to permanent shifts in the centers of power *The Guardian Index* ,2002 *Pastoring the Small Church* Eric

Moore,2013-10-17 With humor and candor Eric Moore addresses common challenges that the pastor of the small church encounters on a daily basis As the pastor of a small church he shares stories from his own experience and provides biblical and common sense solutions to the issues that pastors face If you pastor a small church then you are a key part of God s program This book will encourage and remind you of the importance of your calling *The Jurisdynamics of Environmental Protection* Jim Chen,2003 On November 1 and 2 2002 the University of Minnesota Law School and the University of Minnesota s Consortium on Law and Values in Health Environment and the Life Sciences sponsored a symposium in honor of Professor Daniel A Farber s contributions to environmental law The resulting symposium *The Pragmatic Ecologist Environmental Protection as a Jurisdynamic Experience* was published in volume 87 of the *Minnesota Law Review* The

Commandments of Jesus Norman H. Drummond, 2021-11-05 Before Jesus ascended to heaven, He gave His last instructions, telling us to go, make disciples, and teach them to observe all things I have commanded you. But what are the commands of Jesus? Norman H. Drummond, who has served in a variety of Christian ministries over more than forty-five years, tackles that important question. As you read, learn how to identify the commands of Jesus found in the four gospels, recognize the difference between which of Jesus's words are commands and which are important, precious, amazing, and awesome, but not commands, make disciples by clearly teaching new believers all things I have commanded you. The commandments of Jesus were not handed to us as a concise list like the one Moses received on Mount Sinai. However, His commandments are recorded for us in Scripture, and He expects us to obey them. Studying these commandments reveals a major difference between the commandments given to Moses and those given by Jesus. They are as different as "Thou shalt not" and "If you love me, and they are eternal truth."

Imagining Persecution Jason Bruner, 2021-03-12 Many American Christians have come to understand their relationship to other Christian denominations and traditions through the lens of religious persecution. This book provides a historical account of these developments, showing the global theological and political changes that made it possible for contemporary Christians to claim that there is a global war on Christians. This book, however, does not advocate on behalf of particular repressed Christian communities nor does it argue for the genuineness or lack thereof of certain Christians' claims of persecution. Instead, this book is the first to examine the idea that there is a global war on Christians and its analytical implications. It does so by giving a concise history of the categories like martyrs, evidence, statistics, and metrics, and theologies that have come together to produce a global Christian imagination premised upon the notion of shared suffering for one's faith. The purpose in doing so is not to deny certain instances of suffering or death; rather, it is to reflect upon the consequences for thinking about religious violence and Christianity worldwide using terms such as a global war on Christians.

Moving from I to We Paul Ford, 2014-02-27 If you think you're frustrated with church leadership in America, imagine how God must feel. Dr. Paul R. Ford illumines key Scripture passages to exhort readers to go back to the Spirit-led form of leadership God intends for the accomplishment of His kingdom work. By proving that leadership in the body of Christ is to be a series of functions to be fulfilled by a group of people, not just key leaders, Ford inspires a collective sigh of relief and energizes us to move forward God's way. What a difference that would make.

The New York Times Book Review, 1974 The Marxist and the

Movies Larry Ceplair, 2007-11-16 As part of its effort to expose Communist infiltration in the United States and eliminate Communist influence on movies from 1947 to 1953 the House Committee on Un-American Activities subpoenaed hundreds of movie industry employees suspected of membership in the Communist Party. Most of them, including screenwriter Paul Jarrico, invoked the Fifth Amendment and refused to answer questions about their political associations. They were all blacklisted. In *The Marxist and the Movies*, Larry Ceplair narrates the life, movie career, and political activities of Jarrico, the recipient of an Oscar nomination for his screenplay for *Tom Dick and Harry* (1941) and the producer of *Salt of the Earth* (1954), one of the most politically besieged films in the history of the United States. Though Jarrico did not reach the upper echelon of screenwriting, he worked steadily in Hollywood until his blacklisting. He was one of the movie industry's most engaged Communists, working on behalf of dozens of social and political causes. *Song of Russia* (1944) was one of the few assignments that allowed him to express his political beliefs through his screenwriting craft. Though MGM planned the film as a conventional means of boosting domestic support for the USSR, a wartime ally of the United States, it came under attack by a host of anti-Communists. Jarrico fought the blacklist in many ways, and his greatest battle involved the making of *Salt of the Earth*. Jarrico, other blacklisted individuals, and the families of the miners who were the subject of the film created a landmark film in motion picture history. As did others on the blacklist, Jarrico decided that Europe offered a freer atmosphere than that of the cold-war United States. Although he continued to support political causes while living abroad, he found it difficult to find remunerative black-market screenwriting assignments. On the scripts he did complete, he had to use a pseudonym or allow the producers to give screen credit to others. Upon returning to the United States in 1977, he led the fight to restore screen credits to the blacklisted writers, who like himself had been denied screen credit from the late 1940s to the mid-1960s. Despite all the obstacles he encountered, Jarrico never lost his faith in the progressive potential of movies and the possibility of a socialist future. *The Marxist and the Movies* details the relationship between a screenwriter's work and his Communist beliefs. From Jarrico's immense archive, interviews with him and those who knew him best, and a host of other sources, Ceplair has crafted an insider's view of Paul Jarrico's life and work, placing both in the context of U.S. cultural history. **Don't Miss**

Your Life Aaron Tredway, 2022-10-04 Live life to the fullest. Nobody wants to look back on a disappointing, unfulfilled life. Why, then, are so many of us dissatisfied despite our goals and continual striving? In *Don't Miss Your Life*, Aaron Tredway reveals we're aimed at the wrong target: success. Despite our pursuit of something more, we are stuck chasing our idea of success instead of true significance. But we don't have to be rich or famous to lead a life of meaning in God's kingdom. In this practical guide, Aaron shares his personal discovery of the secret to significance and invites you to live the life God created you for. Learn to recognize the exhausting emptiness of pursuing success; find liberation from a life without purpose; pursue God's glory instead of unrewarding self-focus; and choose significance over success, one step at a time. You were made for a meaningful, deeply fulfilling life, and you can achieve just that. **The Virginia Quarterly Review**, 2003
