Dear Members of the Eagle Scout Board of Review,

I am writing to offer my wholehearted endorsement for [Scout's Full Name] in his quest to achieve the honor of Eagle Scout. I have known [Scout's First Name] in my capacity as his [Your Relationship to the Scout] for the past [Number of Years]. Throughout this period, I have been a first-hand witness to his dedication to the ideals and principles of Scouting.

[Scout's First Name] has consistently demonstrated the leadership, initiative, and commitment required of an Eagle Scout. He has held numerous leadership roles within his Troop, such as [List the Scout's Roles]. Notably, he excelled in his position as [Scout's Most Notable Role], where he [give examples of initiatives, projects, or changes the Scout led or implemented and what they accomplished].

In addition to his leadership within the troop, [Scout's First Name] has shown an unwavering dedication to service and his community. His Eagle Scout Service Project, the [Project's Name], was a testament to his ability to lead, organize, and make a lasting impact on our community. The project involved [Describe the project and its impact in detail].

two NASA missions Mars Climate Orbiter and Mars Polar Lander caused the space agency's program of Mars exploration to be systematically rethought both technologically and scientifically. A new Mars Exploration Program plan summarized in Appendix A was announced in October 2000. The Committee on Planetary and Lunar Exploration (COMPLEX), a standing committee of the Space Studies Board of the National Research Council, was asked to examine the scientific content of this new program. The goals of this report are the following:

- Review the state of knowledge of the planet Mars with special emphasis on findings of the most recent Mars missions and related research activities.
- Review the most important Mars research opportunities in the immediate future.
- Review scientific priorities for the exploration of Mars identified by COMPLEX and other scientific advisory groups and their motivation and consider the degree to which recent discoveries suggest a reordering of priorities.
- Assess the congruence between NASA's evolving Mars Exploration Program plan and these recommended priorities and suggest any adjustments that might be warranted.
