

## SHIFTING COURSE SAMPLE LETTER

Good day!

The main reason I want to shift is that I recognized the course is not right for me. Before applying for college, I considered becoming a multimedia artist. Unfortunately, I made the incorrect decision, because after a year in B.S. Accounting Information System, I recognized that the skills I have were neglected. I believe I have visionary and creative abilities because I grew up sketching and painting as a hobby. I also enjoy various disciplines of media like digital/traditional art, animation and photography. These abilities, in my opinion, are crucial and required for the course. Also, I am interested in taking the course because of the different and unique subjects, and various art skills, which is something I am curious to learn. I believe that if I will be given the chance to take the subjects that require these skills, I will be able to achieve my dream to be a certified animator. I understand that it may be difficult to process to allow me to shift to the course, but it will be an honor for allowing me to do so. Thank you.

Sincerely,  
<name>

Schreier, Richard J. Watts, 2015-07-16 Letter Writing and Language Change outlines the historical sociolinguistic value of letter analysis both in theory and practice The chapters in this volume make use of insights from all three Waves of Variation Studies and many of them either implicitly or explicitly look at specific aspects of the language of the letter writers in an effort to discover how those writers position themselves and how they attempt consciously or unconsciously to construct social identities The letters are largely from people in the lower strata of social structure either to addressees of the same social status or of a higher status In this sense the question of the use of standard and or nonstandard varieties of English is in the forefront of the contributors interest Ultimately the studies challenge the assumption that there is only one legitimate and homogenous form of English or of any other language      Rapidex English Speaking Course (Assame) EDITORIAL
