

DEDICATION

As well as everything that I do, I would be honor to dedicate this Compilation to my parents. The two person that gave the tools and values necessary to be where I am standing today. My parents support me on every step I make, and decision I take; but is necessary to understand that they let me take my decisions alone in order for me to learn from my personal mistake and as my father says to “learn and grow from each seatback”. I will never finish to thank my father and my mother for all the opportunities that they have offer and gave me, for all the teachings that they have told me and for every advise that come out of their mouth. I am so graceful with them for trusting me that I would do a Good job in the university, and letting me come to achieve a higher education.

So that’s why I dedicate this Portfolio to my parents, whom expect my effort on everything that I do, and I think that this Compilation is the perfect image and reflection of my effort and hard work in Reading and Writing Skills. Mama and Papa: I hope that I can make you proud, the same way that I am proud of having both of you as my parents and as the compass of my life!
