Readence,Thomas W. Bean,R. Scott Baldwin,2004 **Become a Notary Public in Louisiana (New for 2025)** Steven Alan Childress,2024-12-14 New edition in 2025 explaining all the big changes to the testing process and format effective March 2025 This is a fully updated version of this much read introduction to the office of Notary Public Louisiana civil law notaries enjoy functions responsibilities and earning potential unmatched in any other state and reserved there to attorneys Louisiana notaries wield the power not just to verify signatures but also to create the legal papers they notarize including affidavits donations powers of attorney and even wills and trusts And so much more with no educational requirement beyond high school but a state exam that is famously challenging The entire process to become a notary is difficult and wrapped in some mystery That is especially true in 2025 as the state transitions to a new system of registration and testing This book is helpful if you re in the beginning stages of becoming a notary public Or just thinking about joining the profession It s about the process of registering to be a notary and why you d want to It s about the classes books resources and options available to prep for the exam It s not a study guide to the test s content itself Other books do that including the best selling Sidepiece

guide also by Prof Childress of Tulane But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying Previously no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you d want to know right away about the exam process and its open book Website information can be unclear and incomplete without disclosing the realities This book is about what I wish someone told me from Day One when I was considering becoming a notary in Louisiana An affordable addition to the Sherpa Series from Quid Pro Books *Excel Revise in a Month School Certificate Australian History & Geography* Ken Webb,Helen Rhodes,2006
