Investigatory Grand Jury Reports California. Grand Jury (San Francisco),1974 **Beginning Office Worker** David

Reuben Turner, 1980 *Adult Catalog: Subjects* Los Angeles County Public Library, 1970 *Menace to the Future* Jess Whatcott, 2024-08-09 In *Menace to the Future* Jess Whatcott traces the link between US disability institutions and early twentieth century eugenicist ideology demonstrating how the legacy of those ideas continues to shape incarceration and detention today Whatcott focuses on California examining records from state institutions and reform organizations newspapers and state hospital museum exhibits They reveal that state confinement coercive treatment care neglect and forced sterilization were done out of the belief that the perceived unfitness of disabled mad and neurodivergent people was hereditary and thus posed a biological threat a so called menace to the future Whatcott uncovers a history of disabled resistance to these institutions that predates disability rights movements builds a genealogy of resistance and tells a history of eugenics from below Theorizing how what they call carceral eugenics informed state treatment of disabled mad and neurodivergent people a century ago Whatcott shows not only how that same logic still exists in secure treatment facilities state prisons and immigration detention centers but also why it must continue to be resisted *The California Regulatory Law Reporter*, 1995 Annual Report California. Standards and Training for Corrections Program, 1994 **California Family Law**, 1993
