123 Corporate Drive, Suite 304
456 Main Street
Portland, MA 01234

Dear Mr./Ms. **Last Name**,

Thank you for making the time to meet with me regarding the engineering co-op position at EMC Corporation. My conversation with you and the engineering team has confirmed my interest in the position and EMC.

As we discussed, my previous co-op experience with J&B Brown has allowed me to develop my technical skills in hardware design and increased my time management abilities as I worked on time sensitive projects. I believe that my skills will be a good match for the engineering co-op position.

I would like to be a member of the EMC team because I am passionate about the work you do and welcome an opportunity to bring my thirst for learning and engineering to the organization. I look forward to speaking with you in the near future. Thank you, again, for your interest in my candidacy.

Sincerely,

Your First and Last name

After the Interview in Community Oral History Nancy MacKay, Mary Kay Quinlan, Barbara W. Sommer, 2016-06-16. Community projects often falter after the interviews are completed. This final book of the five-volume Community Oral History Toolkit explains the importance of processing and archiving oral histories and takes the reader through all the steps required for good archiving and for concluding the oral history project so that it is preserved and accessible for future generations. The authors give special attention to record-keeping systems and repositories and provide several examples from actual projects to ground the information in practical terms. Charts, checklists, and sample forms also help the reader apply concepts to practice. Volume 5 finishes with examples of creative ways community projects have used oral histories, such as performances, exhibitions, celebrations, websites, and more, in order to promote history and engage the community.

Healthy and Sustainable Fundraising Activities Jenine M. De Marzo, Anne Gibbone, Greg Letter, Catherine Klein, 2012-05-07. For most schools and organizations, fundraisers bridge the gap between budgets and the money they need in order to operate. Despite the continued rise in childhood and adult obesity and increased attention to humankind's ecological impact, many fundraisers still rely on the sale of high-calorie, low-nutrient foods or ask supporters to become consumers of incidental items and paper products to support the cause. Healthy and Sustainable Fundraising Activities offers innovative and thoughtful options that raise money for your cause without contradicting the physical activity, health, and ecological messages emphasized in your school or organization. In contrast to traditional fundraisers involving food and incidental products, the ideas in Healthy and Sustainable Fundraising Activities encourage personal, community, and environmental health and reinforce the health and social responsibility initiatives in place in your school or organization. With Healthy and Sustainable Fundraising Activities, you'll learn how to involve not just your school or organization but the entire community in health-promoting, environmentally friendly activities. With Healthy and Sustainable Fundraising Activities, you'll find a range of ideas from ink cartridge recycling to a dance competition and a unique approach to fundraising sure to energize your students, members, and community to meet and exceed your fundraising goals. For
