

# **Formal Recruitment Recommendation Letters**

Letters of recommendation are letters of reference written by a sorority alumna to her sorority at the University of Central Arkansas. A letter of recommendation is helpful, but not required. You can begin this process by informing friends, teachers, and relatives that you are participating in formal recruitment at UCA. The alumna can either write a personal letter of reference or obtain a standard form from their national headquarters. Letters of recommendation should be sent directly to the chapter at their address listed below.

**Heart, Felt** Lara Crissey, 2014-03-07 There was a time when I was sitting with a friend at a coffee shop that I realized I wanted to write Robert Smith of the band The Cure a thank you letter His music had and continues to be a big part of my life a big part my history I relayed to my friend that The Cure had been with me through good and bad times Months later I went through an emotionally trying situation and once on the other side I recognized my gratitude for having experienced this sadness this depth of feeling I reflected on many circumstances and life events that brought me pain but also growth and I considered the experiences that made feel joy and happiness In a moment I sensed that it was important to acknowledge these moments or lessons with the people who shared them with me So I set out to write a series of simple thank yous to people who have touched my life who have shaped who I am And lucky me I actually had to tell myself to stop when I was writing the seventieth or so letter My truest intentions here are to share my gratitude to those who have made a difference in my life who have helped me learn and grow in so many ways It is also a reminder that it s never too late to say thank you I hope that my small book of let s face it pretty intense sharing will serve as a reminder to always find thanks in your heart
