reads as a no brainer it transpired long before others were eating gluten free and far before I realized when I feel healthier on the inside everything else including my outsides follows suit Weight loss maintaining isn't even a concept I consider these days My focus and the one that has facilitated my maintenance for close to two decades is on fueling my insides and exercising in a way that allows me to live my life as energetically and healthfully and rash free as possible I approach healthy living as I do all areas of my life I read I research I experience I seek gurus I talk to my peers Yet I remember at the end of it all I am the expert of my own body We may all have the same healthy living goal longer healthier lives but it's ok for each of us to construct our own path to get there Are you ready It's time to start creating yours Carla Birnberg **Foreclosure**
