E. Rollins,2002 This collection of frank and sincere Christian poems might be described as a spiritual Bridget Jones diary The poet expresses her intimate conflicts and concerns as she anticipates the eventual consummation of her marriage Perhaps one of the main values of the collection is that it conveys a message for many young Christians and older ones too not just those preparing for marriage that the conflicts they experience are absolutely normal and can be resolved and sanctified in so far as our dwelling place is not an earthly place but the Lord who is the same yesterday today and tomorrow The poet expresses a roller coaster of emotions as she comes to terms with the age old conflict of the flesh versus the spirit the urges of the flesh versus the disciplined life of the Christian especially as she deals with the anguish where the object of her love is often aloof and inconstant **Rhapsody in Plain Yellow** Marilyn Chin,2018-01-31 A fusion of east and west high culture popular culture and ancient Chinese history mark this distinguished collection Marilyn Chin with her multilayered multidimensional intercultural singing elegizes the loss of her mother and maternal grandmother and tries to unravel the complexities of her family s past She tells of the trials of immigration of exile of thwarted interracial love and of social injustice Some poems recall the Confucian Book of Songs while others echo the African American blues tradition and Western railroad ballads The title poem references the Han Dynasty rhapsody but is also a wild associative tour de force Political allegories sing out with personal revelations Personal revelations open up to a universal cry for compassion and healing These songs emerge as a powerful and elegant collection sophisticated yet moving hard hitting yet refined Twice Adopted Michael Reagan,Jim Denney,2004 Michael Reagan presents the story of his troubled adolescence his search for his birth mother his religious conversion and his relationship with Ronald Reagan his adoptive father
