Words That Work Dr. Frank Luntz, 2007-01-02 The nation s premier communications expert shares his wisdom on how the words we choose can change the course of business of politics and of life in this country In Words That Work Luntz offers a behind the scenes look at how the tactical use of words and phrases affects what we buy who we vote for and even what we believe in With chapters like The Ten Rules of Successful Communication and The 21 Words and Phrases for the 21st Century he examines how choosing the right words is essential Nobody is in a better position to explain than Frank Luntz He has used his knowledge of words to help more than two dozen Fortune 500 companies grow Hell tell us why Rupert Murdoch s six billion dollar decision to buy DirectTV was smart because satellite was more cutting edge than digital cable and why pharmaceutical companies transitioned their message from treatment to prevention and wellness If you ever wanted to learn how to talk your way out of a traffic ticket or talk your way into a raise this book s for you

[Presidential Elections](#) Delana Heidrich, 2004 Presents information on how presidents are elected from who runs and why to who votes and how

Jimmy Carter as President Erwin C. Hargrove, 1999-03-01 Jimmy Carter was according to Erwin Hargrove the first modern Democratic president to be substantially ahead of the party coalition Concerned with issues of the future inflation the need for tax reform energy shortages Carter anticipated many questions that are only now being addressed nearly a decade after his troubled tenure in office The years 1976 to 1980 were difficult years for a Democrat to be president especially difficult for a southern moderate who viewed the world in Wilsonian terms and who was politically unaligned essentially an outsider in his party and in Washington But Carter s inability to read or manipulate the political scene was not the only problem to beleaguer his presidency Events such as the Soviet invasion of Afghanistan and the capture of American hostages in Iran also worked

against Carter creating situations in which no amount of political acumen could have salvaged his presidency Hargrove places Carter in historical perspective Examining his frequently overlooked successes as well as his failures Hargrove analyzes both the content and the methods of Carter s policy leadership His style of leadership is studied in the light of his beliefs and values and of his problem solving skills and experience This profile draws heavily upon interviews with members of Carter s White House staff In a consideration for Carter s domestic economic and foreign policies Hargrove shows the congruence of purpose politics and process as a president shapes decision making Because Carter was skilled at solving specific problems he achieved notable successes the Panama Canal Treaty the Camp David Accord and the SALT II talks when he could keep matters in his own hands Yet despite such policy successes his inability to build strong coalitions and delegate authority exacerbated by uncontrollable world events doomed Carter to political defeat Throughout Jimmy Carter as President Hargrove emphasizes that in our assessment of presidents we should evaluate skill within the historical context and thereby better understanding the ingredients of presidential success Hargrove s effective and extensive use of interviews proves the advantages of integrating oral history into scholarly research and writing

The Presidents Jean Wolff,1994 Provides a unique and interesting approach that goes beyond the traditional naming of our Presidents to understanding the Presidency and learning about those who have held the office

American Presidents Instructional Fair,2002-07 Reinforce students understanding of basic skills with practice worksheets Students become encouraged by their own success as they complete fun to do activities and puzzles Great for review as well as for seatwork and homework assignments Excellent for use by parents or as a self help teaching tool 7 x 10 17 7cm x 25 4cm booklet Answer key included
